

Peters Township School District

Policy: 1220

Title: Citizens Advisory Committees

Adopted: 9/27/62

Revised: 3/2/70

1 The School Board may from time to time enlist the aid of qualified residents of
2 the district by the creation of advisory committees for the study or development of
3 specific projects and formulation of recommendations for Board consideration.

4
5 Members of committees shall be appointed by the Board, with staff advice, and
6 the right to dissolve such committees is reserved to the Board.

7
8 The Board shall weigh carefully advice contained in interim or final reports of
9 such committees, but shall exercise its own judgment in arriving at decisions and
10 determining courses of action.

11
12 Nothing in this policy statement shall preclude administrative or supervisory
13 personnel or teachers from initiating and developing means for obtaining advisory
14 assistance in school program and plant operation from qualified individuals or groups,
15 either resident or non-resident.
