Mason S. - 28

#### **ROOM 103:**

Alessandra H. - 8

Jude M. - 12

#### **ROOM 105:**

Charlotte G. - 12

Drew S. - 25

### IMPORTANT APRIL DATES

**April 9** – First day back to school after Spring Break!

**April 13** – STEM Night at PV

**April 22** – Earth Day

**April 26** – Take Your Child to Work Day

## ☺ Technology News:

The students enjoy playing the educational games on [www.abCya.com](http://www.abCya.com) in the computer lab with Mrs. Barley! Please try it out at home to practice both letters and numbers!

## In April, we are learning about....

Letter -Long A (ape, lake, gate)

Long I (ice, hike, kite)

Sight Words – help, too, has, play

*(Please be reviewing all sight words with your kindergartner daily. They should be able to read them, spell them, and write them. First grade is right around the corner!)*

Math Topic 11 – Decomposing Numbers 11-19

Planet Earth

## SHARING ASSIGNMENT:

***WEEK OF April 23, 2018:***

To celebrate Earth Day, your child will tell the class how they are an Earth Super Hero! Your child will use the attached sheet to tell about three ways in which they are helping to keep our Earth clean and beautiful. They can draw pictures, use photographs, and/or use words to tell about what they do to help Planet Earth (For example: 1. I recycle my yogurt containers. 2. I turn off the water when I brush my teeth. 3. I turn out lights when I leave a room.)

# Earth Super Hero
