

Welcome to Second Grade!

Dear Families of Incoming Second Grade Students,

We are very excited to meet your children and to work with them as second grade students. We wanted to provide you with some helpful information at this time, as you look forward to second grade.

We know that back-to-school shopping is exciting for the children and helps to get them focused on returning to school and new learning adventures! To best prepare your children with supplies that will be needed in second grade, please refer to the list below. These materials will be used throughout the year, as we complete many exciting and educational learning experiences and projects. By informing you of these needed supplies, you will be able to take advantage of those back-to-school supply savings that many local stores offer. Please understand that some items will need to be replenished as the year progresses. Also, please label as many items as you can with your child's name.

Sincerely,
Bower Hill Second Grade Teachers
