

Welcome to Kindergarten

Dear Families of Kindergarten Students,

We are very excited to meet your children and to work with them as Kindergarten students. We wanted to provide you with some helpful information at this time, as you look forward to Kindergarten.

We know that back-to-school shopping is exciting for the children and helps to get them focused on new learning adventures! To best prepare your children with supplies that will be needed in Kindergarten, please refer to the list below. These materials will be used throughout the year, as we complete many exciting and educational learning experiences and projects. By informing you of these needed supplies early, you will be able to take advantage of those back-to-school supply savings that many local stores offer. Many items will need to be replenished mid-year.

Thank you for your assistance in helping to prepare your children for Kindergarten!

Sincerely,
Bower Hill Kindergarten Teachers

Kindergarten School Supplies List
