If there is a medical or religious reason why immunizations are not complete, please contact your school nurse.

You should bring any information concerning your child's health history. This information should include all childhood diseases and operations. (Bring along your baby book.)

- ☑ Mortgage or lease agreements (temporary proof only)

Dental and Physical Exams

Your child is required to have a dental and physical exam upon entering school. These exams may be done by your child's private physician and dentist. Appropriate forms will be available at registration.
