NutriKids
Cafeteria Point of Sale System: Frequently Asked Questions

How do I deposit money into my child's account?
Access the NutriKids link on the District website under Food Service to deposit money via credit card, paypal account, or you may send money in with your child. Please place the money in an envelope with your child's name, ID number and amount enclosed. Checks or money orders are preferred, payable to the Peters Township cafeteria fund. The envelope can be dropped off at the cafeteria in the morning for processing.

To create an online account you will need your child's name, student ID number, and the school zip code (15317 for the Middle School). You may obtain the nine-digit student ID number in PowerSchool (listed at the top of the page next to their name), or by contacting the Food Service Department at 724-941-6251 x7226.

Additional instructions are attached to guide you through the easy online account set up process.

In order to use the online prepayments service a small fee for each transaction will be assessed to cover the bank fees. The NutriKids Transaction fee is $1.75 per deposit transaction. Parents placing money into multiple meal accounts will only be assessed the fee once per deposit transaction. Peters Township School District does not profit from the use of this site. Please note that payments made by check are not subject to this fee.

Do I need to create an account for each of my children?
No, for your convenience, you may set up one account for your family and add multiple children from multiple school buildings.

Will my child need to carry an ID or remember a PIN number for this new system?
Peters Township has opted to use a PIN number system in the cafeterias. This pin is their student ID that is also used as their computer log-in. If you child forgets his/her ID number, the cafeteria cashier can look up the account by name.

How will I be notified if my child is running out of money?
You can monitor your child's account online via the NutriKids website. A link has been provided to the Nutrikids site on the Food Service page of the District website.

Will he/she be able to get lunch if I forget to deposit money?
Yes, all children will be able to accrue a debt of $5 within the system. No a la carte items will be able to be purchased once the account has reached $0, but all children will have the option to purchase the regular lunch items.
