Please make every effort to pay off any incurred meal debt prior to the start of next school year.

As a reminder, all positive and negative balances roll over to the new school year. Please check www.MySchoolBucks.com to be sure no delinquent balances are left over the summer months. Correspondence will continue to be sent home to families with negative balances throughout the summer. Balances can be paid on www.MySchoolBucks.com or by sending payment to the District Administration Office ATTN: Food Service

Families of students no longer enrolled, with a remaining positive balance, can request a transfer of funds to siblings or a general refund by contacting the Food Service Office at the number below.
