Unit 4 Week 3

**Story**
- Go Wild!
- Vulture View
- When It’s Snowing

**Genre**
- Nonfiction

**Vocabulary**
- **search** - To try to find something by looking for it.
- **seek** - To hunt or look for something.

**Essential Question**
How do animals survive in nature?

**Comprehension Strategy**
Ask and answer questions

**Comprehension Skill**
Main Idea and Key Details

**Writing Traits**
Organization

**Grammar**
Go and Do

**Structural Analysis**
Open Syllables

**Mechanics**
Capitalize Proper Nouns

**High Frequency Words**
find, food, more, over, start, warm

**Oral Vocabulary Words**
communicate, provide, superior, survive, wilderness

**Spelling/Phonics**
- long o:
  - o, oa, ow, oe
- low, no, boat, oat, row, toe, we keep over more

Time in seconds:

Monday _____ Tuesday _____ Wednesday______ Thursday _____
Our family went to the shore for the day.
We played and went swimming in the water.
We started digging in the sand. We made a mouse.
We saw some sticks on the sand. We used them for the mouse’s whiskers.
The three of us put shells and other things all over the sand mouse. It looked very pretty.
We made a moat by the sand mouse.
The water came up and filled the moat. The sand mouse looked as if it were swimming.
Some people came over to us.
There is an orchestra in my town. When I hear the music, I feel like I am going on a journey. I see pictures in my head and experience different feelings.

Look at all the instruments in the orchestra. There are four families of instruments. They are called string, woodwind, brass, and percussion.

Each instrument family has its own sound. At the front of the orchestra is the string family. The viola is the smallest string instrument. The harp is the biggest. It is bigger than I am!

The woodwind family is behind the string family. The piccolo makes the highest note. It makes me think of a little bird. The contrabassoon makes the lowest note.

The brass family is behind the woodwind family. The brass instruments make the loudest sounds in the orchestra!
