

# Welcome to First Grade!

June 1, 2012

Dear Families of Incoming First Grade Students,

We are very excited to meet your children and to work with them as first grade students. We wanted to provide you with some helpful information at this time, as you look forward to first grade.

We know that back-to-school shopping is exciting for the children and helps to get them focused on returning to school and new learning adventures! To best prepare your children with supplies that will be needed in first grade, please refer to the list below. These materials will be used throughout the year, as we complete many exciting and educational learning experiences and projects. By informing you of these needed supplies early, you will be able to take advantage of those back-to-school supply savings that many local stores offer. Please understand that some items will need to be replenished as the year progresses.

Mark your calendars early! Our First Grade Parent Informational Meeting is tentatively scheduled for Friday, August 31 at 8:00 a.m. in your child's classroom. We look forward to providing you with helpful information about the first grade curriculum, expectations, and classroom procedures.

Thank you for your assistance in helping to prepare your children for first grade!

Sincerely,  
Pleasant Valley First Grade Teachers
