

Parking Shuttle for Home Football Games

To alleviate some of the traffic around the High School during home games and to be able to accommodate our visitors in the High School lots, we are encouraging our Peters Township community to utilize the Middle School and McMurray Elementary parking lots when coming to the game. Fans using the parking shuttle in these lots will have a smooth and quick exit from the stadium back to the sites at the conclusion of the game.

From South Park Road ▼

- Shuttles will begin to run from the Middle School and McMurray lots prior to the game starting at 6 p.m. and will continue throughout the game.
- Signs will be posted in the Middle School parking lot for shuttle pick-up and drop-off following the game. All fans parking in the Middle School AND McMurray Elementary lots will access the shuttle from this one location.

- The drop-off/pick-up location at the stadium is the East McMurray/Fieldbrook entrance to the High School.
- While shuttles will run continuously, increased service from the Stadium to the auxiliary lots will begin when there are 5 minutes left in the 4th quarter. They will run continuously for approximately 30 minutes after the game ends.
