Peters Township School District values parent and community engagement. Speakers who signed up in advance per Policy 903 will be allotted a maximum of five (5) minutes for public comment. All other speakers will be allotted a maximum of two (2) minutes for public comment.

Part of our communication effort involves taping and sharing videos of our Board meetings to help our community stay informed on matters before the Board. Any guest speakers or members of the public who are taking part in the meetings are reminded to come to the podium and use the microphone when making comments so that they may be heard by those of us in the room and those watching online. All speakers are reminded to state their name and resident status for the minutes.

The public comment period of the meeting is not a question and answer format between the public and the Board. The purpose of public comment at Board meetings is to allow the Board to learn the thoughts of the public prior to Board deliberation and action.

The Joint Operating Committee held a meeting on November 20, 2024. The next Joint Operating Committee Meeting will be held on December 18, 2024.

For the holiday dinner preceding the November meeting, my guest was an 8th grade student interested in the cosmetology program.

The Joint Operating Committee approved articulation agreements with Penn Commercial and Saint Francis University. The Penn Commercial articulation agreement facilitates as much as 40 credits in welding, 4 in phlebotomy, 7 in IT, 11 in electrical, and 9 in HVAC. Because Penn Commercial's cosmetology program uses a very specific curriculum, students' credit transfers will

be evaluated on a case-by-case basis, including interviews. For Saint Francis, individual CTC programs will be evaluated and applied toward various curricula, depending on student intentions.

WACTC received a new PCCD award of \$70,000 over two years and a \$498,750 Special Programs Grant towards updated CDL equipment. Four new grant proposals were submitted.

In the adult programs (which have no financial consequences to the sending districts, but for which the Joint Operating Committee has oversight), WACTC and CCBC are exploring a partnership whereby CCBC will operate the nursing programs and maybe the adult welding programs in WACTC space.

Peters Township has 77 of the 698 WACTC students and has one student in a Co-op (auto mechanics student at Zabcar's Auto Repair).

Peters Township is among the districts that must appoint a new representative. Technically, pursuant to the WACTC operating agreement, a representative serves for 3 years. However, since there is no alignment with school director elections, the President of the Peters Township School Board appoints a representative each year. I advised both Steffie Smith, the JOC secretary, and the Executive Director that my role would shift to alternate to facilitate a year of coaching and mentoring for the new representative before my departure.
