SUPERINTENDENT’S COMMENTS

- **Celebration of Excellence**
- **Excellence in Academics**
- **WESTERN AREA CO-OP PROGRAM** - Western Area Career & Technology Center is a great opportunity for high school students. Senior Nicholas Matson is part of the Auto Mechanics program and is employed at Zabkar's Exhaust and Auto Repair through the Co-op program. This year, 75 PT students are enrolled at WACTC, a 50% increase in enrollment over last year.
- **NATIONAL MERIT SEMI-FINALISTS** – Two students from Peters Township High School have been named semifinalists in the annual National Merit Scholarship Program. The 16,000 semifinalists nationwide represent less than 1 percent of U.S. high school seniors and includes the highest-scoring students in each state. Seniors Kaitlyn Strin and Kritin Sharma now have an opportunity to continue in the competition for National Merit Scholarships, worth more than \$30 million.
- **COFFEE TREE ROASTERS OPENS** – last week marked the opening of Coffee Tree Roasters at PTHS for the new school year. Coffee lovers lined up prior to school and during study halls to get their caffeine connection for the day. Students are involved in running this business – handling everything from marketing and website design to inventory and making of the drinks.
- **HORTICULTURE CLUB SUPPORT PTHS LUNCH** - Part of lunch last week at the high school was truly homegrown. Last week the PT Horticulture Club picked baskets of jalapeno peppers, bell peppers, and green beans from their garden on campus and supplied them to the cafeteria.
- **SOIL STUDIES AT MCMURRAY** – Our 4th graders at McMurray are working hard! Students in Mrs. Tovornik's class did a science experiment recently where they observed different types of soil and how they combined with water.

- **Patriot Day Project at Bower Hill** – On September 11 students in Mrs. Willkomm's 2nd grade class celebrated Patriot Day by reading the book "Fireboat" by Maira Kalman. It is the inspiring true story of the John J. Harvey—a retired New York City fireboat reinstated on September 11, 2001. It focuses on the everyday heroes of the events on 9/11. Students then made flags honoring what a hero means to us.
- **Dot Day at Bower Hill**
- **Western Area Challenge Program Awards** - Congratulations to the students above from Western Area who have been recognized by the Challenge program for excellence in various areas of technical education. PT students were honored for achievements in STEM, Academic Improvement and Attendance.
- **Excellence in the Arts**
- PTHS Arts Honor - Peters Township High School has been recognized by the Pennsylvania Art Education Association for its commitment to visual arts education with the endorsement of Outstanding Visual Arts Community 2024. PTHS was honored due to its highly visible and rigorous and inclusive programs. PTHS is proud to offer opportunities to engage in arts education courses at all grade levels.
- **Excellence in Character**
- **EDUCATION FOUNDATION PROJECT AT BOWER HILL** - The Peters Township Education Foundation supports innovative ideas throughout our schools. Last year, Mrs. Hanak at Bower Hill had an idea to add a giant light board to their sensory room at the school. She applied for a grant and worked with our high school Applied Engineering and Manufacturing classes to construct the project. You can support the Foundation on the annual Day of Giving on September 19th and a portion of the donation will be matched by the Washington County Community Fund.
