Clearances

- The District strongly supports the involvement of parent/guardian and community volunteers.
- State law now requires that any volunteer who has direct contact with students to have the necessary clearances on file with the District.
- Parent volunteers must complete:
 - The Pennsylvania Child Abuse History Clearance
 - Pennsylvania State Police Criminal Record Check
 - FBI Federal Criminal History Record (or complete a waiver request stating that you have lived in PA for ALL of the past ten years).
- Volunteers must sign an Acknowledgement of Volunteer Obligations.
- Acquiring the clearance documents takes time and we recommend that parents planning on volunteering in the schools complete the process as soon as possible.
- The documents will remain on file with the District for THREE years at which time new clearances will be necessary.
- The District has created a Volunteer website to help parents through the process complete with links to complete the clearances and downloads of the necessary forms. Please visit the site at www.ptsd.k12.pa.us/volunteers.aspx
