

Welcome to First Grade!

Dear Families of Incoming First Grade Students,

We are very excited to meet your children and to work with them as first grade students. As you begin to prepare for first grade, we wanted to provide you with some helpful information!

We know that back-to-school shopping is exciting for the children. It helps to get them focused on returning to school and new learning adventures! Below you will find the supply list of things your child will need throughout the upcoming year. We will be keeping all these supplies at school so that your child can replenish them as they need to. Please understand that some items will need to be replenished as the year progresses. If this should be the case, we will send a note home with your child letting you know what is needed. Please label as many items as you can with your child's name. This will help us tremendously at school.

We are holding a Parent Informational Meeting on Tuesday, August 23rd at 9:30 in your child's classroom. It will be an opportunity for you to meet your child's teacher and see their classroom. More information on this will be sent out as we get closer to the date. Please be sure to bring all your child's supplies to this meeting. If you are unable to attend the meeting, please sent the supplies with your child on the first day of school.

Sincerely,

Bower Hill First Grade Teachers
