

Peters Township Athletic Department: Family ID Registration

We continue to offer online registration for athletics through FamilyID (www.familyid.com). FamilyID is a secure registration platform that provides you with an easy, user-friendly way to register for our programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You enter your information only once for each family member for multiple uses and multiple programs.

BEFORE YOU REGISTER:

Please visit the Concussion Information page of the Athletic website to review the necessary information regarding concussions. This is required annually prior to trying out for a sport.
