

# **Reflection/Artist's Statement Guide**

## **Step 1: Tell about the project you created.**

- What did you create?
- What were the key concepts (see assignment objective) you learned?

## **Step 2: Tell about your struggles.**

- What was challenging or difficult about the project?
- What might you change if you did this project again?

## **Step 3: Tell about your successes!**

- What went well?
- What do you appreciate about your completed project?

## **Step 4: Check your answer!**

- Do you need to correct any misspelled words or incorrect grammar?
- Did you use complete sentences?
- Were you specific?
- Did you use colorful language?
- Is your answer 10-100 words?
- Is it legible? (Could someone else read your writing?) Or is it typed?
