Dear Parent/Guardian,

We are excited to announce another year working with the Pittsburgh Marathon to bring you the Kids of STEEL program! This year's race date is **May 2, 2015**.

The primary features of the Kids of Steel program include:

- Students will have 18 weeks to complete 26.2 miles, with their final mile being the Toyota of Pittsburgh Kids Marathon. This 18-week program will begin the week of January 5, 2015.
- Kids are encouraged to make healthier food choices by tasting, studying, and sharing with their family different nutritious foods.

Kids of STEEL is open to children in grades K-6th. **For your child to participate in Kids of STEEL and the Toyota of Pittsburgh Kids Marathon, please visit www.pittsburghmarathon.com to register your child online.
