

Primary Music at Pleasant Valley

Mrs. Barbara Viola - Primary Level Music Teacher

Welcome to our Music Room, where our students bring the arts alive. Here we explore the elements of music through vocal, instrumental, movement and analytical exploration of the elements of music. Utilizing the methodologies of Orff, Dalcroze and Kodaly, students learn by engaging as active musicians. Through their accomplishments, students may discover unknown talents, deepen their level of confidence, and participate fully in the artistic facet of the human experience.

Please browse through additional sections of this webpage for information highlighting instructional units, procedures and performance dates.
