- A "Key Character Word" that will be shared, taught, and modeled throughout the month. Our HERO program will include highlighting the Key Character Word in different capacities!
- Students in all buildings K-5 will be connected by celebrating the same Key Character Word each month. This initiative is intended to connect our students and parents as they learn the meanings of these valuable words.

• Don't forget to ask about the amazing key on display outside of the gym! The Key Character Word will change each month along with the definition. To help reinforce the Key Character Word, each homeroom also has a smaller version of the key that displays the Key Character Word and the definition of the word. The hope is that the Key Character Words become part of our students' daily language! (A HUGE thanks to Mrs. Cloonan for designing the beautiful key and to Mrs. Wolk for her beautiful handwritten words! Let's not forget Mrs. LaRosa who helped to cut and laminate! THANK YOU!)

• The word of the month will be shared on the announcements and throughout the school in any way that each building sees fit (student speakers, quotes, clips, posters) and will also be shared with PTA/parents so that they may help support the theme of each month at home. School counselors will provide a lesson/activity to accompany the monthly theme.
