From the Superintendent

Dear Parents,

Dear Parents,

Welcome to a new year in the Peters Township School District! This handbook has been developed to provide useful information about our District and your child's school for the coming year.

Our student handbook serves as a valuable resource, outlining the policies, guidelines, and standards that contribute to a safe, respectful, and supportive school community. The handbook is designed to provide clarity and to promote a shared understanding of school expectations among students, staff, and parents. While we have attempted to cover many questions and situations in the handbook, additional information – contact numbers and e-mail, Board meeting information, policies and more – may be found on the District website at www.ptsd.k12.pa.us.

As a School District, and as a community, we are dedicated to excellence in all that we do. We wish you a rewarding and successful academic year filled with growth, accomplishments, and good memories.

The purpose of the Student Handbook is to give School District students and their parents/guardians an understanding of the general rules and guidelines for attending and receiving an education in our schools. In a case of conflict between Board policy and the provisions of this handbook, the Board policy most recently adopted by the Board will govern. Similarly, the schools have supplemental handbooks. In the case of a conflict between a school handbook and this common handbook, the common handbook will govern.

Students and parents/guardians should be aware that this document is reviewed annually since policy adoption and revision is an ongoing process. Any changes that take place following the publication of this handbook will generally supersede the provisions found in the handbook, which will be updated for the next year. The handbook is not a contract between the school and parents/guardians or students. It can be amended at any time at the discretion of the District. If policy changes are enacted during the school year, the administration will communicate those changes to students, staff, and parents/guardians.

The Peters Township School District does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following employees have been designated to handle inquiries regarding the non-discrimination policies:

Compliance Officer for Section 504 services, activities, facilities accessible to and usable by persons with disabilities is Patricia Kelly, Director of Pupil Services; Compliance Officer for Employment, civil rights or grievance, non-discrimination in classroom practices and Title IX complaints is Dr. Jennifer Murphy, Deputy Superintendent. Contact information for Compliance Officers is listed on page 11.

Introduction

This handbook is intended to provide pertinent and useful information about the School District and school building procedures and policies. By working together at all levels, we can ensure that all children learn in a safe, high quality educational environment. School Board policies, curriculum information and current school procedures, programs and activities can be accessed via the District web site at www.ptsd.k12.pa.us.

Our School District

The Peters Township School District serves over 21,000 residents who live in the Washington County community of Peters Township, a 19.8 square mile, rural and suburban area south of Pittsburgh, Pennsylvania. In 1800, the first school was constructed in Peters Township: a simple, one-room log cabin. Since that time, we have grown into a school system that meets the educational needs of approximately 3,940 students in grades kindergarten through twelve. The District operates two (2) K-3 elementary schools, one (1) 4-5 elementary school, one (1) 6-8 middle school, and one (1) 9-12 high school. The School District's academic program incorporates the key elements of 21st century learning including critical thinking, problem solving, creativity, innovation, collaboration, technology, and life skills.

The District has consistently been recognized as one of the top performing Districts in the Commonwealth. In 2023, the Pittsburgh Business Times ranked Peters Township third among 105 local public school districts and sixth among all districts across the State. In addition, Peters Township High School was ranked first among all high schools in the Pittsburgh Metro Area by U.S. News & World Report, whose elementary school rankings also listed Bower Hill Elementary as second in Pennsylvania and Pleasant Valley Elementary as third.

Our District Mission

Peters Township School District will promote academic excellence, build leadership, and inspire character as a prominent Pennsylvania School District measured by state and national standards.

Vision Statement

Peters Township School District, as a public school entity, will enable students to realize their potential to learn, live, lead and succeed.

Shared Values

We Believe

- All students have value, the ability to learn, and deserve the opportunity to receive a high quality education.
- Educational excellence is achieved through the collaborative efforts of students, family, school and community.
- Valuing individual diversity encourages respectful and clear communication both locally and globally.
- Technology, the arts, service learning, athletics, and extra-curricular activities empower students to explore their talents and creatively shape their future.
- Variety in teaching and learning strategies will encourage rigor and relevance in an ever-changing world.

Our Responsibilities

The school community is made up of the student body, the teachers, the administrators, the school board, the parents, and all community members of Peters Township. To establish and maintain a school atmosphere in which everyone's personal worth and dignity are respected, the entire school community must work together. As members of the school community, we assume the following responsibilities.

Responsibilities of Students

It is the responsibility of each student to:

- Be honest and ethical: Respect, Responsibility, Honesty.
- Put forth his/her best efforts in the classroom to develop and improve his/her learning.
- Contribute to making the school a better place in which to learn.
- Exercise proper care when using school equipment.
- Assist in protecting the health, safety, and welfare of the school community.
- Be aware of the rules and policies of the school and follow them.
- Attend school daily and report to all classes on time.
- Make the necessary arrangements to make up work when absent from school.
- Respect school property.
- Follow the dress code.

Responsibilities of Parents

It is the responsibility of parents to:

- Be honest and ethical.
- Teach their child to respect themselves and take pride in their accomplishments.
- Respect their child's interests, abilities, and limitations.
- Instill in their child a positive attitude toward school.
- Provide a suitable place for their child to do homework and be available for help when it is needed.
- Encourage their child to bring home all notices, forms, or letters from the school; read them; and, if necessary, discuss them with their child.
- Build a good working relationship with their child's teachers, and the school.
- Ensure prompt and regular school attendance.
- Teach their child to respect the law as well as the rights and property of others.
- Be aware of the school's rules for student behavior and encourage their child to follow them.
- Check the District website, PowerSchool and e-mail regularly to stay well informed.

Responsibilities of Teachers and other Employees

It is the responsibility of teachers and other employees to:

- Be honest and ethical.
- Promote mutual respect and dignity.
- Expect the best from each student.
- Encourage each student to develop a positive self-image and recognize the self-worth of others.
- Strive to make each student enthusiastic about learning.
- Be aware of the programs offered by the school and their responsibilities for the success of those programs.
- Build a good working relationship with the students and their parents.
- Teach students, by example, the common courtesies that promote better relationships.
- Handle discipline concerns individually and with confidentiality.
- Build good relationships with fellow teachers, colleagues, administrators and the entire school community.

Responsibilities of the Principal and Assistant Principal

It is the responsibility of the principal and the assistant principal, as the educational leaders of the school to:

- Be honest and ethical.
- Promote mutual respect and dignity.
- Be available to students, teachers, and parents.
- Review the school's programs regularly to make sure they are meaningful.
- Help the teachers to improve their own professional attitudes and practice.
- Work with students and teachers to develop school rules.
- Work closely with parents in establishing a good relationship between home and school.
- Encourage parents and students to talk with other staff members and community agencies in solving problems.
- Make sure the school building is safe.
- Follow School Board Policies.

Responsibilities of other School Personnel

Secretaries, teachers' aides, paraprofessionals, cafeteria employees, custodians, and bus drivers all contribute to the successful operation of the school. It is their responsibility to:

- Be honest and ethical.
- Promote mutual respect and dignity.
- Be aware of the programs offered by the school and their responsibilities for their success.
- Realize that while their individual responsibilities are important, they are a part of the total school program.
- Enforce proper discipline.
- Follow School Board Policies.

Responsibilities of the District's Administrators and School Board

It is the responsibility of the District's Administrators and School Board to:

- Be honest and ethical.
- Promote mutual respect and dignity.
- Establish a positive setting for learning.
- Assist in protecting the health, safety, and welfare of the school community.
- Be aware of the programs offered by the school and their responsibilities for the success of those programs.
- Work closely with parents and District personnel in establishing a good relationship between the community and the District.
- Encourage parents, students, and school personnel to talk with other staff members, the School Board, and community agencies to solve problems.
- Be sensitive to the needs and expectations of the different people who make up the school community.
- Be available to parents, students, staff, and community members.
- Respect the feelings, judgments, and concerns of students, parents, school personnel, and community members.

The Peters Township School Board encourages community feedback. Email addresses of Board members are available on the District webpage under the School Board tab. That page also includes a link whereby all Board members can be emailed at one time. In addition, students, residents and taxpayers in the District may address the Board at meetings in accordance with procedures set forth in District Policy 903. All Board and Committee Meetings, unless excepted via the Sunshine Law, are public meetings and the Board encourages attendance by community members. In general, discussion of most items voted on at regular voting meetings takes place at the committee meeting level. If you are unable to attend, all meetings are video-taped and can be viewed on demand online, via a link on the School Board/Meetings and Minutes tab of the District website.

SECTION II: Student Information

Academic Integrity (School Board Policy 145)

As a nationally recognized School District of Character by Character.org which has a mission to “promote academic excellence, build leadership, and inspire character,” the Peters Township School District believes in the intrinsic value of learning and the promotion of ethical student conduct. As such, it is expected that students act with integrity and honesty in all academic work. The Board and the District recognize that academic misconduct degrades the value of education and creates an unfair learning environment. The Board and District are committed as a school community to ensuring that our students become ethical users of resources and ideas in this age of information technology. The Board and the District are further committed to creating a positive school culture in which students are held and hold each other accountable. The Board and the District recognize that parents, teachers, students, and administrators have a role in fostering this philosophy.

The Peters Township School Board and Peters Township School District strive to uphold an education environment that values academic integrity. It is recognized that teachers, students, parents, and administrators each have a responsibility in fostering this environment.

Teacher, Student, Parent, and Administrator Responsibilities

Teacher Responsibilities

- Be specific and clear about collaboration, use of sources, formatting, etc. for each assignment and assessment that is given.
- Review student work regularly for incidences of Academic Misconduct.
- Clarify if assigned work is to be completed individually or collaboratively.
- Keep student work and assessments secure.
- Diligently monitor students during assessments, including securing electronic devices during the entirety of the testing period.
- Let students know when they are permitted to discuss an assessment after it has been given.
- Promptly report observed Academic Misconduct for another teacher’s class to that teacher.
- Be mindful and purposeful of student workload and assignments.
- Foster open communication while maintaining confidentiality.

Additional Peters Township High School Teacher Responsibilities

- Include the PTHS Honor Code statement on all assigned independent work and assessments.
- Promptly report Academic Misconduct in your own class to a school administrator.
- Include Academic Integrity in course expectations on each course syllabus.
- Review the Academic Integrity Policy with all students at the start of each semester including the range of consequences for Academic Misconduct.

Student Responsibilities

- Never electronically copy or transmit any current or former assignments to other students without express permission by the teacher.
- Communicate early with your teachers if you are overwhelmed with work or do not understand material prior to an assessment.
- Do not submit other student’s work as your own.
- Be honest and ethical.
- Be aware of the Academic Integrity Policy and consequences for Academic Misconduct.
- Follow all course-specific expectations, seeking teacher clarification when necessary.

- Protect your computer log-in information and passwords. Do not share this information with other students.
- Do not share your work with other students or collaborate with other students when work is expected to be individually completed.
- Report any Academic Misconduct infractions to your teacher.
- Be present and properly prepared for all assessments (tests and quizzes). Keep your eyes on your own paper during assessments and do not have any course material exposed (under desk, next to you, etc.).
- Never miss school or class to gain an academic advantage.
- Always complete your own work and equally contribute to a group activity. Clarify with your teacher when and if collaboration is permitted on assignments.
- Acknowledge the contributions of other sources on all work submitted. Follow the format provided by your teacher.

Parent Responsibilities

- Read and know the Academic Integrity Policy.
- Stress the importance of ethical academic behavior with the student.
- Support the student's need for quiet time and a place to study and avoid placing undue pressure for high grades.
- Encourage and support the student, but do not complete work for him/her. This includes editing, typing, or in any other way doing the work.
- Support teachers and administrators in administering discipline and upholding the Academic Integrity Policy.

Administrator Responsibilities

- Make available to all students, teachers, and parents the Academic Integrity Policy.
- Support teachers in administering discipline and upholding the Academic Integrity Policy.
- Promote understanding of student stressors.
- Foster communication with parents, students and teachers.
- Facilitate conferences and counsel students who have Academic Misconduct infractions.
- Assist teachers in maintaining a secure digital and physical environment.
- Identify students with at-risk behaviors and refer students to the Student Assistance Program (SAP).

Additional Peters Township High School Administrator Responsibilities

- Maintain the Academic Misconduct Log in the Student Management database.
- Convene the Academic Integrity Committee as needed.

Additional information pertaining to violations of Academic Integrity Policy and its associated discipline is listed in the Student Code of Conduct.

Assessment and Evaluation of Student Progress (School Board Policy 127 & 213)

The process of evaluating student performance must be based on clearly defined evaluation criteria referenced to the District's curricular objectives. Students may not earn nor lose points for anything unrelated to the demonstration of their understanding of curricular objectives. Evaluations of student performance must be valid, accurate and reliable. Student performance will be benchmarked against local, state, and national standards.

Attendance and School Absences (School Board Policy 204)

The Commonwealth of Pennsylvania requires all students to attend school regularly.

As stated in the Attendance Policy 204:

The following conditions constitute reasonable cause for absence from school:

1. Illness, including if a student is dismissed by designated District staff during school hours for health-related reasons.
2. Obtaining professional health care or therapy service rendered by a licensed practitioner of the healing arts in any state, commonwealth or territory.

3. Quarantine.
4. Family emergency.
5. Recovery from accident.
6. Required court attendance.
7. Death in family.
8. Participation in a project sponsored by a statewide or countywide 4-H, FFA or combined 4-H and FFA group, upon prior written request.
9. Participation in a musical performance in conjunction with a national veterans' organization or incorporated unit, as defined in law, for an event or funeral.
 - a. The national veterans' organization or incorporated unit must provide the student with a signed excuse, which shall include the date, location, and time of the event or funeral.
 - b. The student shall furnish the signed excuse to the District prior to being excused from school.
10. Observance of a religious holiday observed by bona fide religious group, upon prior written parental request. (as noted in Policy 204).
11. Nonschool-sponsored educational tours or trips/family educational trip if the following conditions are met:
 - a. The parent/guardian submits the required documentation for excusal prior to the absence per the District's procedures, including use of the appropriate Educational Trip Form (attached to the bottom of Policy 204 as an administrative regulation).
 - b. The student's participation has been approved by the principal. If over five (5) days in duration the approval of the Superintendent or Designee is also required.
 - c. The adult directing and supervising the tour or trip is acceptable to the parents/guardians and the Superintendent.
12. College or postsecondary institution visit, with prior approval.
13. Other urgent reasons that may reasonably cause a student's absence as well as circumstances related to homelessness, foster care, and other forms of educational instability. Urgent reasons shall be strictly construed and do not permit irregular attendance.

Absences shall be treated as unlawful until the District receives a written excuse explaining the absence. Excuses are to be submitted within three (3) days of the absence.

A maximum of ten (10) days of cumulative lawful absences verified by parental notification shall be permitted during a school year. These lawful absences include pre-planned educational tours or trips. All absences beyond ten (10) cumulative days shall require an excuse from a licensed practitioner of healing arts.

Students will be considered truant when they incur three (3) or more unexcused absences. Persons in parental relation, as that term is defined in Policy 204, will be notified after a student has been absent for three (3) days without a lawful excuse. A School Attendance Improvement Conference will be offered. Continued unexcused absences will be addressed in accordance with Policy 204, and could include referral of the student to a school-based or community-based attendance improvement program, a local and youth agency, and/or the filing of a citation in the office of the appropriate judge against the person in parental relation who resides in the same household as the student, except in the case of a student who is age fifteen (15) or older, in which case, the citation may be filed against the individual student, or the person in parental relation to the student, as to be determined by the District.

Attendance Requirement for Participation in Extracurricular Activities

In order to participate in an extracurricular activity or practice on a given day, a student must attend school for at least one half of that given day.

Preplanned Educational Tour or Trip

If parents or guardians plan to take a family vacation and have it classified as an "educational trip," they must inform the principal at least one (1) week in advance of the reason for the absence by completing the District's "Request for Excused Absences from School for a Preplanned Education Tour or Trip" form available in the school office and on the District website. The approval of any preplanned educational tour or trip is within the discretion of the principal and is

not guaranteed. Total pre-approved absences during the school year will not exceed five (5) school days unless approved by the Superintendent or designee. All pre-approved absences will be recorded as excused absences. An application must be filled out for each child seeking excused absence from school. Applications are also required for half-day trips. Vacations will not be approved if any of the following apply:

- If the trip is scheduled during the weeks of PSSA Testing (ELA, Math, or Science), Keystone Testing, or other standardized testing applicable to the child(ren)
- If a child's academic progress is in jeopardy
- If students are considered truant (3 unlawful absences), habitually truant (6 unlawful absences), or have exceeded 10 excused absences.

Students are required to complete all assignments and tests deemed necessary by the teacher(s) within a time period that is equivalent to the number of days of excused absence (e.g., if a student missed three (3) days of school, they will be given three (3) days to make up all missed assignments).

The District may limit the number and duration of non-school sponsored educational tours or trips and college or postsecondary institution visits for which excused absences may be granted to a student during the school year. Preplanned Education Tours or Trips are included in the ten (10) days of cumulative lawful absences verified by parental notification permitted during a school year.

Booster/Support Groups (School Board Policy 915)

Booster/Support groups refers to any parental or community group that provides support to a District-related program. The Peters Township School District recognizes the value of community groups in promoting the goals of school established activities. Provisions established within Policy 915 coordinate the activities of such groups. It shall be expected that such organizations recognize the administration of the various schools of the Peters Township School District as being responsible for directing all educational programs and activities of the schools. Policies established by the Board of School Directors will govern all school established activities and programs. The policy provides for the annual review of stated goals and objectives of the group, constitution or bylaws, a current list of officers elected by members of the organization, and statements of endorsement by the Director of Athletics and the principal.

Only those booster/support groups that have specifically and directly received recognition by the District shall be eligible to be associated with the respective District activity that it supports. In order to maintain good standing, all booster/support groups must adhere to established guidelines and policies, many of which are contained in School Board Policy 915.

Policy 915 contains rules regarding:

1. District recognition of booster/support groups
2. Fundraising
3. Gifts, donations and spending of booster/support group funds
4. Student Awards
5. Use of District Facilities and Resources
6. Concession Stand Use
7. Complaint Procedures, etc.

All booster/support group board members must read and follow School Board Policy 915, which can be found on the District website under the School Board/District Policies tab.

Building Security/ School Visitors(School Board Policy 907)

Parents of enrolled students or of prospective students, and Peters Township residents generally, are encouraged to visit the schools to become familiar with educational programs, to confer with school personnel, or to obtain desired information.

Upon arrival at the school, visitors must immediately report to the office, show valid government-issued picture identification or school-issued pass, sign in noting the location you will be visiting, obtain a pass that must remain visible at all times when in the building, and sign out before leaving. **After the start of the school day all entrances shall be locked and visitors will use only the main entrance.** Once admitted, visitors must immediately proceed to the location that is the purpose of the visit and shall not roam the building or visit areas not listed in the visitor's ledger.

No visitor shall be allowed to photograph or videotape any person or any part of any building without prior approval of the principal and/or the Superintendent. All visitors should be aware that the District utilizes video surveillance systems on its property, including inside and outside District-operated buildings.

Bullying/ Cyberbullying (School Board Policy 249)

The District is committed to providing a safe, positive learning environment for students. The District recognizes that bullying creates an atmosphere of fear and intimidation, detracts from the safe environment necessary for student learning, and may lead to more serious violence. Therefore, the Peters Township School District prohibits bullying by all students.

Bullying is defined as intentional electronic, written, verbal or physical act or series of acts directed at another student or students which occurs in a school setting and/or outside a school setting, that is severe, persistent or pervasive and has the effect of substantially interfering with a student's education, creating an environment that a reasonable person in the reporting party's situation would find threatening or causing a substantial disruption of the orderly operation of school. Cyberbullying is included within the definition of bullying and can occur when acts take place during school hours, on a district-issued device and/or through a school platform, even when students are not physically present in a school building.

The District intends to enforce consequences for violating Policy 249 to acts that occur in a non-school setting to the fullest extent permitted by law. Any student who has been bullied or who witnesses a bullying incident is encouraged to promptly report such incident to the principal, school counselor, teacher or other trusted adult District employee. Students are also encouraged to report incidents of bullying using the Safe Schools Tip Form (K-5) or via Safe2Say Something (6-12) found on the District's website. The filing of knowingly false bullying reports will be punishable under the Student Code of Conduct. No reprisals or retaliation shall occur as a result of good faith reports of bullying.

Bus Procedures (School Board Policy 810)

A high standard of student behavior on school buses and at designated bus stops is expected. Any conduct that is deemed to be unsafe or detrimental to safe bus operation or bus stop safety will result in disciplinary actions such as seat assignment, loss of bus riding privileges, or suspension. The bus driver is in charge of the vehicle and students are to follow the instructions of the bus driver at all times.

Bus Assignments

Students are assigned to buses and bus stops each school year. Notification is done in August prior to the start of school. The personal bus schedule for your child can be found in PowerSchool at the Bus Information Tab. Students are to arrive at the bus stop at least ten minutes before the bus arrives. Change of address must be reported to the student's school so new bus assignments can be made. For more information pertaining to transportation please contact the Director of Transportation.

Bus Drills

Twice during the school year, all students assigned to a bus participate in bus evacuation drills. Typically, these drills are conducted in September and March.

End of the Year Celebrations

The District recognizes that many parents plan bus stop celebrations as the students arrive home on the last day of school. If this occurs, please allow the students to leave the bus and safely get to the side of the road before the celebration begins as traffic will continue to flow. Avoid the use of silly string or other items because they adhere to the paint in the warm temperatures and can cause costly repairs.

Special Transportation Request

The District is not responsible for the transportation of students to locations other than the student's home residence. Students are to ride the bus to which they are assigned. Only in an emergency situation will students be permitted to ride another bus unless otherwise assigned. Permission to ride a different bus must be obtained from the Transportation Department. The student must bring a note from a parent/guardian, and parent/guardian must contact the Transportation Department via phone or e-mail to notify the Department of the request. In order for the Transportation Department to grant the request, there must be space available on the bus to accommodate the request. Upon approval by the Transportation Department, the school will issue a note which the bus driver will accept and allow the student to ride the requested bus. Bus drivers will not accept verbal requests or instructions from the parent/guardian..

Cameras & Audio Recording Devices (School Board Policy 810.2)

Cameras are installed to enhance safety and protect the District and public's investment in school property. Cameras are in use around the perimeter of the buildings, at the stadium, on school buses and at locations within all school buildings. Please note that in accordance with Act 9 of 2014 and Act 56 of 2016, Peters Township School District will use video and audio recording devices on District buses and vehicles for discipline, security and safety purposes.

Recorded data from the cameras is used by the District administration and law enforcement to investigate incidents as necessary. Due to confidentiality laws, privacy rights, safety and welfare issues these recordings will not generally be available for viewing to anyone but authorized District personnel and law enforcement. Recorded data is maintained and destroyed in accordance with applicable retention and destruction guidelines. A recording of a student that is used in a disciplinary proceeding may be available for review by the student's parent/guardian or the student if the recording has been made part of the student's education record.

Care of School District Materials (School Board Policy 224)

It is expected that students will take proper care of school property, laptops, school supplies, equipment, textbooks and materials issued to them by the School District. Students who lose or damage materials and books will be expected to pay for the replacement or repair costs. Other disciplinary consequences may occur, including but not limited to loss of privileges and activities.

Character Counts

The Peters Township School District takes part in a community-based character building initiative known as Peters Township Character Counts (PTCC). For over twenty years, PTCC has been a collaboration of many community groups including the Chamber of Commerce, Municipal Government, Public Library, Rotary, Local Churches, Police and Fire Departments, and PTSAs. This initiative has been the catalyst behind many inspirational and educational programs resulting in philosophical changes in the community. Regular meetings are hosted by the member organizations and are open to anyone who lives or works in Peters Township. In addition, PTCC hosts an awards night each Spring that recognizes individuals whose achievements in the realm of character are recognized and celebrated.

Confidential Communications of Students (School Board Policy 207)

An employee may reveal information received in confidence from a student to the student's parent/guardian or other appropriate authorities when the health, welfare or safety of the student or other persons is in jeopardy. The principal, or administrative designee, may also reveal confidential information to other appropriate authorities, including law enforcement personnel.

Controlled Substance/Paraphernalia, Drugs and Alcohol (School Board Policy 227)

The School District Administration expects that students report for class or extracurricular, co-curricular, school sponsored/sanctioned activities in a condition that will allow them to perform their various activities in a safe and efficient manner. The School District and its agents recognize that in-school as well as out-of-school use of controlled substances has a negative impact on the institution as a whole and is detrimental to the safety of our student body as well as our goal of a drug-free learning environment. Rules, guidelines and procedures have been developed to provide

students information in advance of a problem and to promote the safety of all students, faculty and the public. Violations will not be tolerated and may result in disciplinary action up to and including expulsion and referral for prosecution.

Students are prohibited from using, possessing, distributing, and being under the influence of any controlled substances during school hours, at any time while on school property, at any school-sponsored activity, and during the time spent traveling to and from school and to and from school-sponsored activities.

Controlled substances include: (1) controlled substances prohibited by federal and state laws; (2) look-alike drugs; (3) alcoholic beverages; (4) anabolic steroids; (5) drug paraphernalia; (6) any volatile solvents or inhalants; (7) substances that when ingested cause a physiological effect that is similar to the effect of a controlled substance as defined by state and federal laws; and (8) prescription or non-prescription (over-the-counter) medications, except those for which permission for use in school has been granted pursuant to Board policy.

Student conduct that occurs off school property or during nonschool hours to the same extent as provided in Board policy on student discipline (See Policy 122 and 218).

Reasonable Suspicion Testing

If based on the student's behavior, medical symptoms, vital signs or other, the building principal has reasonable suspicion that a student is under the influence of a controlled substance, the student may be required to submit to a breathalyzer/portable breath test and/or be required to obtain a blood or saliva test or urinalysis.

Corporal Punishment (School Board Policy 218)

Corporal punishment is a form of physical discipline intended to cause pain and fear, in which a student is spanked, paddled or hit on any part of the body with a hand or instrument. Corporal punishment is a prohibited form of disciplining students. Reasonable force may be used by School District employees to quell a disturbance, obtain possession of a weapon or other dangerous object, for the purpose of self-defense, and for the protection of persons or property.

Disciplinary Procedures (School Board Policy 218)

One of the goals of our District and school discipline policies is to prepare our students for responsible citizenship. Each student must learn to work with and share the rights and responsibilities of good citizenship with other individuals.

It is the shared responsibility of the school, home, and community to provide an atmosphere of purpose and concern for education and the wellbeing of every person in the school environment. This environment should be a positive one, characterized by openness and mutual respect.

Student discipline and the enforcing of school rules shall be done respectfully, promptly, consistently, confidentially, and equitably regardless of the personal characteristics of the individual student. Discipline is motivated by the intent to correct and promote positive behavior and growth, as well as to maintain order.

Any student disciplined by a District employee shall have the right to notice of the infraction.

On and Off-Campus Conduct

Students may be disciplined for behavior that violates the Code of Student Conduct at all times during the time they are under the supervision of the school or at any time while on school property, while present at school-sponsored activities, and while traveling to or from school and school-sponsored activities or at other times while riding in school-provided means of transportation ("on-campus"). Students may also be disciplined for behavior that violated the Code of Student Conduct when the behavior occurs at other times and places ("off-campus") when:

1. The conduct involves, threatens or makes more likely violence, use of force or other serious harm directed at students, staff or the school environment;
2. The conduct materially and substantially disrupts or interferes with the school environment or the educational process, such as school activities, school work, discipline, safety and order on school property or at school

functions;

3. The conduct interferes with or threatens to interfere with the rights of students or school staff or the safe and orderly operation of the schools and their programs;
4. The conduct involves the theft or vandalism of school property; or
5. The proximity, timing or motive for the conduct in question or other factors pertaining to the conduct otherwise establish a direct connection to attendance at school, to the school community, or to a school-sponsored activity. This would include, for example, but not be limited to, conduct that would violate the Code of Student Conduct if it occurred in school that is committed in furtherance of a plan made or agreed to in school, or acts of vandalism directed at the property of school staff because of their status as school staff.

Loss of Privileges

Students who engage in misconduct may lose their right to participate in any activities associated with the school. Loss of privileges may result from a student's overall misconduct or through one gross event that negatively impacts the overall mission of the District, school, organization, activity, team, or group. Any student who conspires, solicits, or induces another student to violate school board policy, the rules, guidelines and procedures of this handbook, or the law, may also be subjected to the loss of privileges.

Discipline of Student Convicted/Adjudicated of Sexual Assault (School Board Policy 218.3)

The District recognizes the importance of a safe school environment for students who are victims of sexual assault.

A student who is convicted or adjudicated delinquent of sexual assault upon another student enrolled in the District must notify the Superintendent of the conviction no later than seventy-two (72) hours after the conviction. Upon report of a conviction or adjudication of sexual assault upon a District student, the Superintendent will take one of the following actions: (1) Recommend that the Board expel the convicted or adjudicated student, in accordance with law and Board policy; (2) Transfer the student to an alternative education program; or (3) Reassign the student to another school or educational program within the District.

If the convicted or adjudicated student has already been expelled, transferred or reassigned for the same sexual assault, or if the victim does not attend the same school, no additional action regarding expulsion, transfer or reassignment is required, however, the District maintains the authority to make an alternative assignment or provide alternative educational services during or after an expulsion at the discretion of the Superintendent.

The District shall ensure that the convicted or adjudicated student is prohibited from taking part in the following activities at the same time as the victim (1) Being educated in the same school building; (2) Being transported on the same school vehicle; (3) Participating in the same school-sponsored activity.

The District may return the student who is expelled, transferred or reassigned, to the student's originally assigned school only when the victim is no longer enrolled in the District or the conviction or adjudication has been reversed and is not pending appeal.

Upon report of a conviction or adjudication of sexual assault upon a District student that occurred in the school setting, the Superintendent shall notify the Title IX Coordinator to determine whether the incident has been addressed in accordance with applicable Board policy.

Education Committee: Parent Feedback (School Board Policy 906)

The Education Committee of the School Board values parent involvement in our educational programming. The Committee has created a designated e-mail account to facilitate communication with our families regarding educational

matters. If you have comments, suggestions, or concerns that you would like to share regarding our educational programming, please send your comments to the Committee at EducationCommittee@pt-sd.org. The Committee Chairs will check this account monthly. Comments and feedback sent to the Committee may be used to shape future Education Committee agendas. Please note that any information included in your comments to the Committee may be discussed at a public meeting of the Board. If you have specific questions about your child's course or classwork, please contact the teacher or school administrator directly.

Enrollment (School Board Policy 200)

To be eligible for enrollment, children must fully reside with a parent/guardian in boundaries of the Peters Township School District. The parent/guardian must submit proof of the student's age and immunizations and a completed Parental Registration Statement and home language survey. For additional information pertaining to enrollment and admission including eligibility of nonresident students, please refer to School Board Policies 200 (Enrollment of Students), 201 (Admission of Students) and 202 (Eligibility of Nonresident Students).

Policies also govern the District's responsibilities to educate homeless and foster students as more fully set forth in Policy 251 – Students Experiencing Homelessness, Foster Care and Other Education Instability.

Proof of Residence (School Board Policy 200.1)

Parents/guardians of all students registering in the School District must present three (3) acceptable proofs of residence to the school as part of the registration process before a student is permitted to attend school. Please see below for a list of documents:

One of the Following:

o Current deed, lease, or mortgage statement (statement must be no more than 6 weeks old at time of enrollment) **AND Two of the Below:**

- o Valid driver's license or PA Department of Transportation identification card
- o Current utility bill
- o Property tax statement or bill
- o Check stubs from wages, public assistance, or Social Security

Eligibility of Nonresident Students (School Board Policy 202)

The children of families who are moving out of the District and will no longer be residents of the District and will no longer be residents of the District, and are currently enrolled in the Peters Township Schools, may continue to attend the District Schools at the discretion of the Superintendent until the end of the current school year if requested by the parent/guardian. Parent must notify the District prior to moving out of the District in order to be eligible for continued enrollment. Tuition will be waived for the period of attendance from April 1 of the year of the current school year. If relocation occurs before April 1, tuition will be paid from the time of the relocation until April 1 for families who wish to continue to attend until the end of the school year. Continued attendance for former residents is for in-person instruction only.

Students who have attended the high school for a minimum of two (2) semesters and move out of the District at the end of their junior year or during their senior year, but wish to continue and graduate will pay tuition for the remaining year of high school, or portion thereof with approval by the Superintendent or designee. Attendance must be continuous without enrollment in another school District. Continued attendance for former residents is for in-person instruction only.

Visit the New Student Enrollment page on the District website to assist with this process.

Exemption from Instruction (School Board Policy 105.2)

Parents and guardians have the right to have their children excused from specific instruction that conflicts with their religious beliefs. The request must be made in writing and must detail the specific instruction from which the student is to be excused. The written request must contain a statement that the specific instruction described conflicts with the

religious beliefs of the student or of the parents/guardians. The parent/guardian and/or student may request suggested replacement educational activities. All students excused from specific instruction shall be required to achieve the academic standards established by the District as necessary for graduation. For more information, please review Policy 105.2.

Student Expression/Dissemination of Materials (School Board Policy 220)

The right of public school students to freedom of speech is guaranteed by the Constitution of the United States and the Constitution of the Commonwealth. The School District respects the right of students to express themselves in word or symbol and to disseminate non-school materials to others as a part of that expression. The School District also recognizes that exercise of that right must be limited by the District's responsibility to maintain an orderly school environment and to protect the rights of all members of the school community.

Policy 220 applies to student expression in general as well as dissemination of expressive materials that are not part of the District-sponsored activities (non-school materials). Materials sought to be disseminated as part of the curricular or extracurricular programs of the District are regulated by the District's educational program.

Dissemination of Nonschool Materials

Students who wish to disseminate non-school materials on school property must first receive permission from the principal by submitting them for approval at least 6 days in advance of dissemination. Students wishing to disseminate non-school materials should consult School Board Policy 220 for further guidance.

Limitations of Student Expression

Students have the right to express themselves unless such expression is likely or does materially and substantially disrupt or interfere with the educational process, including school activities, school work, discipline, safety and order on school property or at school functions; threatens serious harm to the school and community; encourages unlawful activity; or interferes with another's rights. Student expression is prohibited to the extent that it:

1. Violates federal, state, or local laws, Board policy or District rules or procedures;
2. Is libelous, defamatory, obscene, lewd, vulgar or profane;
3. Advocates the use of or advertises the availability of any substance or material that may reasonably be believed to constitute a direct and serious danger to the health or welfare of students, such as tobacco/vaping products, alcohol or illegal drugs;
4. Incites violence; advocates use of force; or threatens serious harm to the school or community;
5. Materially and substantially disrupts or interferes with the educational process, such as school activities, school work, or discipline, safety and order on school property or at school functions;
6. Interferes with, or advocates interference with, the rights of any individual or the safe and orderly operation of the schools and their programs; or
7. Violates written School District procedures on time, place and manner for dissemination of otherwise protected expression.

Spontaneous student expression which is otherwise protected speech is not prohibited by this section.

Student Expression in Media and Publications

School principals are required to supervise student media and publications published with school equipment or by school organizations to remove obscene or libelous material as well as edit material that would cause a substantial disruption or material interference with school activities.

Facility Usage (School Board Policy 707)

The District recognizes that although the primary purpose of the school buildings, facilities and property is to provide students with an appropriate learning environment, the Board may make school facilities available to individuals and community groups without discrimination and in accordance with policy, provided the use does not interfere with the educational programs or the needs of the District. Information for making application for the use of facilities can be

obtained by contacting the Athletic Office. Specific parameters regarding the use of school facilities can be found in Policy 707, which is posted on the District website under the School Board/District Policies tab.

False Alarms/Calls/Threats or Tampering with Safety Equipment or Devices (School Board Policy 218.2)

The safety of our staff and students is of utmost importance. Ensuring this safety is the responsibility of the entire Peters Township School District community, staff, school board, administration, parents and the student body. Students are not permitted to tamper with school safety equipment or materials or communicate terroristic threats directed at any student, employee, Board member, community member or property owned, leased or used by the District. In addition, any student who furnishes false information to any adult concerning the placement or setting of a bomb or other explosives, or falsely sets off an alarm, will be recommended for expulsion and referred to the police for related violations when deemed necessary by the administration.

Students shall immediately inform the principal regarding any information or knowledge relevant to possible or actual terroristic threats.

Flag Salute and Pledge of Allegiance (School Board Policy 807)

It is the responsibility of every citizen to show proper respect for his/her country and its flag. Students may decline to recite the Pledge of Allegiance and may refrain from saluting the Flag on the basis of personal belief or religious convictions. Students who choose to refrain from such participation shall respect the rights and interests of classmates who do wish to participate. Students who choose to refrain from such participation may stand or sit and shall remain respectfully silent throughout the Flag Salute and the Pledge of Allegiance. Students whose manners or actions are disruptive during the Pledge of Allegiance or the Flag Salute shall face disciplinary action deemed appropriate by the administration. These same rules, guidelines and procedures apply to the playing of the National Anthem.

All District schools and school organizations must comply with state and federal laws concerning flag displays.

Forms

District forms (educational trips, medication, photo refusal, and notes to school) are available in each school office or on the District website.

Gifts, Grants, and Donations to the District (School Board Policy 702)

The School District has the authority to accept such gifts and donations as may be made to the District or to any school in the District by resolution duly passed at a public meeting. It is the policy of the Peters Township School Board that all gifts of equipment, supplies, etc., made to the School District, shall become the property of the school and their security and maintenance shall become the responsibility of the school, unless otherwise stipulated.

Individuals and organizations in the community who wish to contribute money, supplies or equipment to enhance or extend the instruction or extra-curricular activity programs of the School District should consult with the principal, Business Manager, or Superintendent for authorization before appropriating funds. The Board of School Directors reserves the right to refuse to accept any gift, grant or donation which does not contribute toward the achievement of the goals of this District or the ownership of which would tend to adversely affect the District. Only equipment and supplies to which no restrictions are attached will be accepted, unless the Board of School Directors awards an exclusivity agreement.

Gifts to Board Members and District Staff Including Coaches (School Board Policy 319, 322, 827, 915)

The Board recognizes that sometimes there are occasions when the intent of gift giving is to show support or appreciation. The Board encourages those who want to thank a staff member or Board member to write letters and notes of appreciation. If giving a gift, please consider the fact that staff members and Board members are only permitted to accept gifts of nominal value or those that have a *de minimis* economic impact (that is, an economic consequence

which has an insignificant effect) and cannot accept any gift that would create a conflict of interest or create undue influence. Any perceived conflict of interest suspected of a staff member should be reported to the Superintendent (or Board President if the Superintendent is the subject of the conflict). Any perceived conflict of interest suspected of a Board member should be reported to the Board President (or Superintendent if the Board President is the subject of the conflict).

Harassment and Sexual Harassment (School Board Policy 103 & 103.1)

Federal and state laws prohibit harassment or sex related harassment. The Peters Township School District fully endorses and enforces this prohibition. The Board of School Directors advises all students that harassment or sexual harassment, including sexual violence, in any form is prohibited. Such conduct shall result in disciplinary action, which may include suspension and/or expulsion, as appropriate.

The term harassment consists of unwelcome conduct such as graphic, written, electronic, verbal or nonverbal acts including offensive jokes, slurs, epithets and name-calling, ridicule or mockery, insults or put-downs, offensive objects or pictures, physical assaults or threats, intimidation, or other conduct that may be harmful or humiliating or interfere with a person's school or school-related performance and which relates to an individual's or group's race, color, age, creed, religion, sex/gender (including identity, expression, and orientation), ancestry, national origin, marital status, pregnancy or disability when such conduct is:

1. Sufficiently severe, persistent or pervasive; and
2. A reasonable person in the reporting party's position would find that it creates an intimidating, threatening or abusive educational environment such that it deprives or adversely interferes with or limits an individual or group of the ability to participate in or benefit from the services, activities or opportunities offered by a school.

Under Title IX, sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

1. A District employee conditioning the provision of an aid, benefit, or district service on an individual's participation in unwelcome sexual conduct, commonly referred to as quid pro quo sexual harassment
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive and objectively offensive that it effectively denies a person equal access to a district education program or activity.
3. Sexual assault, dating violence, domestic violence or stalking.
 - a. Dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship is determined by the following factors:
 - i. Length of relationship.
 - ii. Type of relationship.
 - iii. Frequency of interaction between the persons involved in the relationship.
 - b. Domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving federal funding, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
 - c. Sexual assault means a sexual offense under state or federal law that is classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.
 - d. Stalking, under Title IX means stalking on the basis of sex, for example when the stalker desires to date a victim. Stalking means to engage in a course of conduct directed at a specific person that would cause a reasonable person to either:

- i. Fear for their safety or the safety of others.
- ii. Suffer substantial emotional distress.

Such conduct must have taken place during a district education program or activity and against a person in the United States to qualify as sexual harassment under Title IX. An education program or activity includes the locations, events or circumstances over which the district exercises substantial control over both the respondent and the context in which the harassment occurs. Title IX applies to all of the District's education programs or activities, whether such programs or activities occur on-campus or off-campus.

Federal law declares sexual violence a form of sexual harassment. Sexual violence means physical or sexual acts perpetrated against a person's will or where a person is incapable of giving consent. An individual may be unable to give consent due to an intellectual or other disability. Sexual violence includes but is not limited to rape, sexual assault, sexual battery and sexual coercion.

All complaints of harassment and sexual harassment will be investigated promptly. Reporting parties are encouraged to use the report form available from the principal or on the District's website attached to Policy 103 & 103.1; however, oral complaints can also be made. The confidentiality of all parties will be maintained, consistent with the District's legal and investigative obligations. No reprisals or retaliation shall occur as a result of good faith charges of harassment.

The Compliance Officer for Unlawful Harassment is:

Dr. Jennifer Murphy, Deputy Superintendent/Title IX Coordinator
631 E. McMurray Road
McMurray, PA 15317
Phone: 724-941-6251, ext. 7208
Email: murphyj@pt-sd.org

Complaint Procedure

Step 1 – Reporting

A student or third party who believes s/he has been subject to conduct by any student, employee or third party that constitutes a violation of this policy is encouraged to report the incident immediately to the principal or school employee. Any person with knowledge of conduct that may violate this policy, is encouraged to report the matter immediately to the principal or school employee.

A school employee who suspects or is notified that a student has been subject to conduct that constitutes a violation of this policy shall immediately report the incident to the principal, as well as properly making any mandatory police or child protective services reports required by law.

If the principal is the subject of a complaint, the student, third party or employee shall report the incident directly to the Compliance Officer.

The reporting party or reporting employee may be encouraged to make the complaint in writing or to use the District's report form available from the principal, Compliance Officer, and the District website; however, oral complaints shall be accepted, documented and the procedures of this policy implemented. The person accepting the written or verbal complaint may provide the complainant with factual information about the investigative process, the impact of choosing to seek confidentiality and the right to file criminal charges. In all other respects, the person accepting the complaint shall handle the report objectively, neutrally and professionally, setting aside personal biases that might favor or disfavor the complainant or those accused of a violation of this policy.

Step 2 – Investigation

The Compliance Officer shall ensure that the individual assigned to investigate the complaint has an appropriate understanding of the relevant laws pertaining to discrimination issues and this policy and how to conduct investigations.

The investigator shall work with the Compliance Officer to assess the anticipated scope of the investigation, who needs to be interviewed and what records may be relevant to the investigation.

The investigator shall conduct an adequate, reliable and impartial investigation. The reporting party and the responding party may suggest additional witnesses and provide other evidence during the course of the investigation. When the initial complaint involves allegations relating to conduct which took place away from school property, school-sponsored activities or school conveyances, the investigation may include inquiries related to these allegations to determine whether they resulted in continuing effects such as harassment in school settings.

The investigation may consist of individual interviews with the reporting party, the responding party, and others with knowledge relative to the allegations. The investigator may also evaluate any other information and materials relevant to the investigation. The person making the report, parties, parents/guardians and witnesses shall be informed of the prohibition against retaliation for anyone's participation in the process and that conduct believed to be retaliatory should be reported. All individuals providing statements or other information or participating in the investigation shall be instructed to keep the matter confidential and to report any concerns about confidentiality to the investigator.

If the investigation reveals that the conduct being investigated may involve a violation of criminal law, the investigator shall promptly notify the Compliance Officer, who shall promptly inform law enforcement authorities about the allegations.

The obligation to conduct this investigation shall not be negated by the fact that a criminal or child protective services investigation of the incident is pending or has been concluded. The investigator should coordinate with any other ongoing investigations of the allegations, including agreeing to requests for a short delay in fulfilling the District's investigative responsibilities during the fact-finding portion of a criminal or child protective services investigation. Such delays shall not extend beyond the time necessary to prevent interference with or disruption of the criminal or child protective services investigation.

Step 3 – Investigative Report

The investigator shall prepare and submit a written report to the Compliance Officer within twenty (20) days of the initial report of alleged discrimination, unless the nature of the allegations, anticipated extent of the investigation or the availability of witnesses requires the investigator and the Compliance Officer to establish a different due date. The parties shall be notified of the anticipated date the investigative report will be completed and of any changes to the anticipated due date during the course of the investigation.

The report shall include a summary of the investigation, a determination of whether the complaint has been substantiated as factual, the information and evaluation that formed the basis for this determination, whether the conduct violated this policy and of any other violations of law or Board policy which may warrant further District action, and a recommended disposition of the complaint. An investigation into discriminatory harassment or sexual harassment shall consider the record as a whole and the totality of circumstances in determining whether a violation of this policy has occurred, recognizing that persistent and pervasive conduct, when taken together, may be a violation even when the separate incidents are not severe.

The reporting party and the responding party shall be informed of the outcome of the investigation, for example, whether the investigator believes the allegations to be founded or unfounded, within a reasonable time of the submission of the written report to the extent authorized by the Family Educational Rights and Privacy Act (FERPA) and other applicable laws. The responding party shall not be notified of the individual remedies offered or provided to the reporting party.

Step 4 – District Action

If the investigation results in a finding that some or all of the allegations of the complaint are established and constitute a violation of this policy, the District shall take prompt, corrective action designed to ensure that such conduct ceases and that no retaliation occurs. The District shall promptly take appropriate steps to prevent the recurrence of the prohibited conduct and to address the discriminatory effect the prohibited conduct had on the complainant and the school or school program environment. District staff shall document the corrective action taken and, where not

prohibited by law, inform the complainant. The Compliance Officer shall follow up by assessing the effectiveness of the corrective action at reasonable intervals.

If an investigation results in a finding that a different policy was violated separately from or in addition to violations of this policy, or that there are circumstances warranting further action, such matters shall be addressed at the conclusion of this investigation or through disciplinary or other appropriate referrals where further evaluation or investigation is necessary.

Disciplinary actions shall be consistent with the Code of Student Conduct, Board policies and administrative regulations, District procedures, applicable collective bargaining agreements, and state and federal laws.

Appeal Procedure

1. If the reporting party or the responding party is not satisfied with a finding made pursuant to the policy or with recommended corrective action, s/he may submit a written appeal to the Compliance Officer within fifteen (15) days of the date of the disposition notice. If the Compliance Officer investigated the complaint, such appeal shall be made to the Superintendent.
2. The individual receiving the appeal shall review the investigation and the investigative report and may also conduct or designate another person to conduct a reasonable supplemental investigation to assess the sufficiency and propriety of the prior investigation.
3. The person handling the appeal shall prepare a written response to the appeal within twenty (20) days of receipt of the written appeal. Copies of the response shall be provided to the reporting party, the responding party and the investigator who conducted the initial investigation.

Hazing (School Board Policy 247)

Hazing occurs when a person intentionally, knowingly or recklessly, for the purpose of initiating, admitting or affiliating a student into or with an organization, or for the purpose of continuing or enhancing membership or status in an organization, causes, coerces or forces a student to do any of the following:

1. Violate federal or state criminal law.
2. Consume any food, liquid, alcoholic liquid, drug or other substance which subjects the student to a risk of emotional or physical harm.
3. Endure brutality of a physical nature, including whipping, beating, branding, calisthenics or exposure to the elements.
4. Endure brutality of a mental nature, including activity adversely affecting the mental health or dignity of the individual, sleep deprivation, exclusion from social contact or conduct that could result in extreme embarrassment.
5. Endure brutality of a sexual nature.
6. Endure any other activity that creates a reasonable likelihood of bodily injury to the student.

Aggravated hazing occurs when a person commits an act of hazing that results in serious bodily injury or death to the student and:

1. The person acts with reckless indifference to the health and safety of the student; or
2. The person causes, coerces or forces the consumption of an alcoholic liquid or drug by the student.

Organizational hazing occurs when an organization intentionally, knowingly or recklessly promotes or facilitates hazing.

Any activity, as described above, shall be deemed a violation of this policy regardless of whether:

1. The consent of the student was sought or obtained, or
2. The conduct was sanctioned or approved by the school or organization.

No student, parent/guardian, coach, sponsor, volunteer or District employee shall engage in, condone, or ignore any form of hazing.

If a student, believes that they or others have been subject to hazing or when a student, parent/guardian, sponsor, volunteer or District Employee, has witnessed hazing, the incident shall be promptly reported, orally or in writing, to the principal or other trusted District employee.

If a student activity or organization authorizes or ignores hazing, it shall be subject to the imposition of fines and other appropriate penalties in accordance with state law. Penalties may include recession of permission for that organization to operate on school property or to otherwise operate under sanction or recognition of the District.

All complaints of hazing will be investigated and appropriate discipline up to and including expulsion will be administered to any individual who violates this policy, including removal from extra-curricular activities and may be subject to criminal prosecution.

Additional information concerning hazing is in School Board Policy 247, which can found on the District website on the School Board/District Policies tab.

Homework (School Board Policy 130)

Homework is any work planned or approved by the teacher to be completed by the student outside of regular class time without the immediate and direct supervision of the teacher. Homework is viewed as an integral part of the total education of the student when it provides the opportunity for the student to practice, apply, integrate, or extend school learning; reinforce and develop independent work habits; use home, school and community resources; and develop responsibility. Homework is to be relevant to the curriculum and based on student needs, capabilities and interests. It is to be planned and evaluated with respect to its purpose, appropriateness and completion time. Homework is not to be assigned as a form of punishment. In order for homework to successfully complement in-school instruction, teachers must follow District, building and departmental guidelines when assigning homework, students must complete the assignments according to criteria established by the teacher and parents/guardians must provide the work area, time and conditions necessary for the student to complete the assignments appropriately.

Interscholastic Athletics (School Board Policy 123)

Peters Township offers several high-profile opportunities for our student athletes to participate in throughout the school year. We are extremely proud of our rich traditions in Western Pennsylvania high school athletics. We are members of the Western Pennsylvania Interscholastic Athletic League (WPIAL) and of the Pennsylvania Interscholastic Athletic Association (PIAA).

The purpose of our athletic program is to encourage and foster opportunities for students to participate in activities other than the academic. This develops learning outcomes in skills, emotional patterns, communication, interpersonal group dynamics, teamwork, leadership, general knowledge, and sportsmanship.

Effective July 1, 2012, the Pennsylvania General Assembly passed Act 82 of 2012 which requires schools to disclose Interscholastic Athletic Opportunities for students in grades 7-12. The District is required to post a copy of this form (one for high school athletics and one for middle school athletics) to its website no later than November 1 of each year with information for the immediately preceding school year. This form can be found on the District's website under the Athletics tab and is titled Interscholastic Athletic Opportunities Disclosure Form.

Concussion Management (School Board Policy 123.1)

With the Safety and Youth Sports Act (Senate Bill 200), and the increased awareness of concussion and the effects they have on student-athletes physical and cognitive performance, it is imperative that we follow a protocol that will care for our students in the classroom as well as the field.

Concussion Management Protocol

1. All coaches must take an approved educational course on concussions prior to their competitive season and attend the preseason informational coaches' meeting. Coaches will not be permitted to coach our student-athletes until they have successfully completed the online course.
2. The Peters Township Athletic Department will offer parents and student athletes information on baseline concussion testing, updated knowledge about concussions as a mild traumatic brain injury (TBI), treatment, management, and common signs and symptoms of a concussion. All parents, coaches, and student athletes are strongly encouraged to attend this informational meeting.
 - a. Annually, prior to trying out for a sport, all parents and student athletes will be required to participate in and document having successfully completed one of the following, in order for the athlete to practice or play:
 - i. Reviewed all information pertaining to concussions provided by the School District (Information will be posted on the website; or
 - ii. Took an approved educational course on concussions (either the coaches' test or the informational course).
3. All student athletes and students involved in athletic activities as defined in Policy 123.1, will be given an approved baseline concussion Test prior to their competitive season or activity.
4. Peters Township Athletic Department will provide parents with information about concussions. This information should be reviewed and signed by the parent and student athlete, informing them about the signs and symptoms of a concussion developed by the Department of Health and the Department of Education.
5. When a student athlete sustains a concussion during a competition or practice, the student athlete must be removed by the athletic trainer, if available, if not by the coach and evaluated by a Licensed Physician trained in concussion management, a Licensed Neuropsychologist, or a Licensed or certified health care professional designated by a Licensed Physician (Athletic Trainer) as defined in Policy 123.1.
6. The Athletic Trainer performs a sideline head injury evaluation.
7. If concussion is suspected, parents and the athletic director are to be notified immediately.
 - a. The student should be held out of school for a minimum of two days.
 - b. The same instructions exist for non-athletes.
8. Within 24-48 hours, the student-athlete should schedule a post-concussion test with a Licensed Physician for re-evaluation.
 - a. If deficits are found by the physician, the parent and student-athlete will be responsible for providing the school with either a release from the physician when the athlete is able to return to play or a plan for reintroduction to limited activities and a date for re-evaluation.
 - b. The student-athlete will be removed from athletic competition and will be provided with academic accommodations based upon recommendations from the Licensed Physician. The school administration, counselor, and school nurse will meet with the student-athlete and parent(s)/guardian(s) to design and implement the accommodations.
 - c. The student-athlete is also prohibited from attending any extra-curricular activities, unless provided with a clearance from the Physician.
 - d. When a student-athlete is asymptomatic and post-concussion test results are within normal limits, the athlete will be put through a series of mild and intense exertion testing to monitor progress.
 - i. If symptoms do reappear, the athlete will be removed from competition and school and be re-evaluated by Licensed Physician.
 - ii. If symptoms do not appear, the school's athletic trainer will continue to progress the athlete to full participation.
9. If deficits are not identified and symptoms are not present the student-athlete is permitted to return to school and athletic activities with a release from the Licensed Physician.
10. Penalties for coaches or trainers who do not remove a concussed athlete from play or whom return an athlete to play without the proper clearance:
 - a. 1st violation- suspension for the remainder of the season
 - b. 2nd violation- suspension for the remainder of the season and the following season
 - c. 3rd violation- permanent suspension from coaching any athletic activity in the Peters Township School District

Sudden Cardiac Arrest (School Board Policy 123.2)

With the Sudden Cardiac Arrest Prevention Act (House Bill 1610), and the increase awareness of sudden cardiac arrest and the effects it can have on student-athletes, it is imperative that we follow a protocol that will care for our students in the classroom as well as the field.

Sudden Cardiac Protocol

1. All coaches must take an approved educational course on sudden cardiac arrest prior to their competitive season and attend the preseason informational coaches' meeting. Coaches will not be permitted to coach our student-athletes until they have successfully completed the online course.
2. The Peters Township Athletic Department will offer parents and student athletes information on sudden cardiac arrest and common signs and symptoms of sudden cardiac arrest.
 - a. Annually, prior to trying out for a sport, all parents and student athletes will be required to participate in and document having successfully completed one of the following, in order for the athlete to practice or play:
 - i. Reviewed all information pertaining to sudden cardiac arrest provided by the School District; or
 - ii. Took an approved educational course on sudden cardiac arrest (either the coaches' test or the informational course).
3. Peters Township Athletic Department will provide parents with information about sudden cardiac arrest. This information should be reviewed and signed by the parent and student athlete, informing them about the signs and symptoms of a sudden cardiac arrest developed by the Department of Health and the Department of Education.
4. When a student athlete exhibits signs or symptoms of sudden cardiac arrest while participating in an athletic activity, the student athlete must be removed by the athletic trainer, if available, if not by the coach and evaluated by a Licensed Physician, certified registered nurse practitioner, or cardiologist as defined in Policy 123.2.
5. If sudden cardiac arrest is suspected, parents and the athletic director are to be notified immediately.
6. Penalties for coaches or trainers who do not remove a athlete appearing to be suffering from sudden cardiac arrest from play or whom return an athlete to play without the proper clearance:
 - a. 1st violation- suspension for the remainder of the season
 - b. 2nd violation- suspension for the remainder of the season and the following season
 - c. 3rd violation- permanent suspension from coaching any athletic activity in the Peters Township School District.

Review of Instructional Material (School Board Policy 105.1)

All instructional materials, including teachers' manuals, audiovisuals, and other supplementary instructional material used in the instructional program shall be available for inspection by the parents/guardians of students, in accordance with Board policy. Instructional materials do not include tests or academic assessments. Conditions relating to such requests are included in School Board Policy 105.1 which can be found on the District's website on the School Board/District Policies tab.

Laser Pointers (School Board Policy 237)

Possession or use of laser pointers by students are prohibited on school grounds, at school-sponsored activities and on buses or other vehicles provided by the Peters Township School District. Laser pointers are defined as any device designed for use or used to point, illuminate, identify or locate another object or site. Violations of this policy may result in disciplinary action and confiscation of the device and any harm resulting from the use of a laser pointer could result in criminal and/or civil liability.

Maintaining Professional Adult/Student Boundaries (School Board Policy 824)

Adults are required to establish and maintain appropriate personal boundaries with students and shall not engage in any behavior that is prohibited by Policy 824 or that creates the appearance of prohibited behavior.

This Policy is not only meant to address obviously unlawful or improper interactions with students, such as dating, courting, or entering into or attempting to form a romantic or sexual relationship with any student but also addresses precursor grooming and other boundary-blurring behaviors that can lead to more egregious conduct. As a result, the policy addresses conduct and the way in which adults are permitted to interact/communicate with students.

The Policy applies to adult District employees, volunteers, student teachers and independent contractors and their employees who interact with students or who are present on school grounds, but does not include currently-enrolled Peters Township students who have reached the age of majority.

The Policy applies to interactions with any student currently enrolled in the District, regardless of the student's age.

Prohibited Behaviors

Prohibited romantic or sexual interaction involving students includes, but is not limited to:

1. Sexual physical contact.
2. Romantic flirtation, propositions, or sexual remarks.
3. Sexual slurs, leering, epithets, sexual or derogatory comments.
4. Personal comments about a student's body.
5. Sexual jokes, notes, stories, drawings, gestures or pictures.
6. Spreading sexual or romantic rumors.
7. Touching a student's body or clothes in a sexual or intimate way.
8. Accepting massages or offering or giving massages other than in the course of injury care administered by an athletic trainer, coach, or health care provider.
9. Restricting a student's freedom of movement in a sexually intimidating or provocative manner.
10. Displaying or transmitting sexual objects, pictures, or depictions.

Prohibited conduct that violates professional boundaries includes, but is not limited to:

1. Disclosing personal, sexual, family, employment concerns or other private matters to one or more students.
2. Exchanging notes, emails or other communications of a personal nature with a student without parental/guardian notification. Recommendation letters for educational purposes are not included in this policy. Thank you, graduation, condolence, and get well cards are not included in this policy.
3. Giving personal gifts without parental/guardian notification.
4. Singling out a particular student or students for personal attention or friendship beyond the ordinary professional adult-student relationship.
5. Taking a student out of class without a legitimate educational reason.
6. Being alone with a student behind closed doors without a legitimate educational reason.
7. Initiating or extending contact with a student beyond the school day or outside of class times without a legitimate educational reason.
8. Sending or accompanying a student on personal errands.
9. Inviting a student to the adult's home without a legitimate educational reason and parental/guardian notification.
10. Going to a student's home without a legitimate educational reason and parental/guardian notification.
11. Taking a student on outings without prior notification to and approval from both the parent/guardian and the principal.
12. Giving a student a ride alone in a vehicle in a non-emergency situation without prior notification to and approval from both the parent/guardian and the principal.
13. Telling a student personal secrets or sharing personal secrets with a student.
14. For adults who are not guidance/counseling staff, psychologists, social workers or other adults with designated responsibilities to counsel students, encouraging students to confide their personal or family problems and/or relationships. If a student initiates such discussions, the adult should notify the appropriate school personnel such as an administrator, a social worker, or a counselor in a timely manner.
15. Furnishing alcohol, drugs, tobacco or vape products to a student or being present where any student is consuming these substances.
16. Engaging in harassing or discriminatory conduct prohibited by other district policies or by state or federal law and regulations.

When communicating with students, adults are required to maintain professional boundaries. Electronic communication with students shall be for legitimate educational reasons (matters relating to teaching, counseling, athletics, extracurricular activities, treatment of a student's physical injury or other medical needs, school administration or other purposes within the scope of the adult's job duties) only and completed via District provided emails or Canvas.

Adults are prohibited from "following" or accepting requests to "follow" currently enrolled students on personal social networking accounts, without written approval of the principal.

Additional mandates relating to communications by coaches and advisors to individual, team or club members as well as exceptions to the restrictions are included in the policy and outlined in the Administrative Regulation for this policy (attached to Policy 824 on District website).

Reporting Inappropriate or Suspicious Conduct

Any person, including a student, who has concerns about or is uncomfortable with a relationship or interaction between an adult and herself/himself or another student, shall immediately notify the Superintendent, principal, other administrator or trusted adult and the allegations will be promptly investigated.

It is understood that some reports made pursuant to this policy will be based on rumors or misunderstandings. The mere fact that the reported adult is cleared of any wrongdoing shall not result in disciplinary action against the reporter or any witnesses. If as the result of an investigation any individual, including the reported adult, the reporter, or a witness is found to have intentionally provided false information in making the report, during the investigation or hearings related to the report, or if any individual intentionally obstructs the investigation or hearings, that individual may be deemed to have violated this policy and other applicable laws, regulations and district policies and may be subject to disciplinary action.

Naloxone (School Board Policy 820)

Naloxone, commonly marketed as Narcan, is an opioid antagonist that can be used to counter the effects of an opiate overdose. The drug can save an individual from an otherwise fatal overdose and has minimal side effects, even if administered to someone who is later found to not be under the influence of an opioid. Senate Bill 1164 was signed into law as Act 139 in late September of 2014. This legislation allows certain individuals to obtain a prescription for and administer Naloxone to someone who is experiencing an overdose. The District obtained a prescription for Naloxone from the school physician and has authorized certain individuals (District nurses, the District's Security Resource Office/Police Officer and any District employee who has been trained to administer Naloxone and is designated by the Superintendent as a person authorized to administer Naloxone) to administer Naloxone if they suspect that an individual is suffering from an opiate overdose on District property and/or at District events.

Additional information concerning Naloxone, including training, storing, and reporting guidelines, is in School Board Policy 820, which can found on the District website on the School Board/District Policies tab.

Open House

The traditional Open House is a time for students and their families to visit the school and meet the teachers in a more informal setting and learn more about the curriculum. Discussions regarding individual student progress should be reserved for parent-teacher conferences. Dates for each school's Open House may be found on the District calendar.

Promotion and Retention (School Board Policy 215)

A student shall be promoted when s/he has successfully completed the curriculum requirements and has achieved the academic standards established for the present level, based on the professional judgment of the teachers and the results of assessments. A student shall earn the right to advance to the next grade by demonstrating mastery of the required skills and knowledge. The principal has the final responsibility for determining the promotion or retention of each student. More specific guidelines for retention and promotion procedures are included in the Administration Regulation, 215 AR-1, attached to the bottom of Policy 215 on the District website.

In all cases of retention, parents/guardians will be fully involved and informed throughout the process. Academic

achievement, attitude, effort, work habits, behavior, attendance and other factors related to learning shall be evaluated regularly and communicated to students and parents/guardians.

Progress toward high school graduation shall be based on the student's ability to achieve the established academic standards and pass the required subjects and electives necessary to earn the number of credits mandated by the Board for graduation (Refer to School Board Policy 217 for Graduation Requirements).

Public Attendance at School Events (School Board Policy 904)

The buildings and grounds of the School District are public property. However, access and activities may be limited as permitted by law. No one has the right to cause danger, alarm, disorder, damage or a disruption to the educational process that would interfere with, or impede the use of the property by students, visitors, guests, permit holders or employees of the School District. Possessing, using, or distributing alcoholic beverages, controlled substances, or weapons on school grounds is prohibited. Use or distribution of tobacco and vaping products including Juuls and other electronic cigarettes (e-cigarettes) is also prohibited. The restrictions apply to both indoor and outdoor areas and on buses, vans and vehicles owned, leased or controlled by the District. Persons involved shall be advised that they are in violation of the District policy and may be directed by an official of the School District, the Peters Township Police, or contracted security personnel to leave the school premises. If anyone enters District property and/or attends a District event and is observed to be visibly intoxicated, they may be asked to leave the premises.

Individuals with disabilities shall be permitted to be accompanied by their service animals while on District property for events that are open to the general public in accordance with Board Policy 718 and federal laws and regulations.

Safety Drills (School Board Policy 705 & 805)

To ensure the safety of all students, fire drills are conducted on a regular basis to provide practice in the event of an emergency situation. These are conducted in accordance with the procedures established by the School District and the Peters Township Fire Department.

When the fire alarm rings, students must remain silent and listen to the teacher's directions and leave the room. The last person out should shut the classroom door. Students must leave the building in an orderly manner and remain quiet in order to hear any additional directions. Failure to follow these rules will result in disciplinary action. At times, in accordance with state regulations, students also participate in other drills such as severe weather safety drills, or lockdown drills. Bus evacuation drills are conducted twice a year. Each school has procedures to follow in case of various emergencies.

Peters Township School District has a comprehensive safety plan and has adopted the ALICE system to address and train our staff and students for a response to incidents in our schools. ALICE stands for: **Alert** - using clear and concise language, alert as many people as possible to the danger in the building; **Lockdown** - secure your location by locking and barricading the entrances; **Inform** - communication continues throughout the incident to allow staff to make decisions; **Counter** - apply skills to distract, confuse and possibly detain the intruder. (Please note, this is an option only when lockdown and evacuation are not viable); and **Evacuate** - removing the number of potential targets by moving as far from the intruder as possible.

Throughout the school year, ALICE drills are conducted in our schools to practice these steps. Parents are notified after a drill via our parent email system. In the event of a real emergency, parents would receive an automated phone call and email with information and instructions. On an ongoing basis, our safety plans evolve as we examine past events in other districts and work to improve our procedures. We continually review and test our safety plan and processes to ensure that we are enacting the most up-to-date safety and security efforts.

More details about ALICE and a training video may be viewed on the School Safety page of the District website.

Safe to Say Something & Safe Schools Tip Form

Safety in our schools is everyone's responsibility. If you are aware of a threat or a dangerous situation for our students or staff, it is important to **share that information with a trusted adult, by calling 911 or by using an anonymous tip line.**

In 2018, the Pennsylvania General Assembly passed Act 44 mandating the establishment and use of the “**Safe2Say Something**” (S2SS) anonymous reporting system by every Pennsylvania school. Developed in partnership with Sandy Hook Promise, the app will help facilitate the reporting of important safety related information that could help save lives in our schools.

S2SS allows individuals to submit secure and anonymous safety concerns to help identify and intervene when unsafe and/or harmful behaviors take place within K-12 schools statewide.

Through S2SS, **High School and Middle School Students** and community members may **ANONYMOUSLY** share safety information through the:

- S2SS app (Safe2SaySomething PA)
- website at <https://www.safe2saypa.org/> or
- 24/7 Crisis Center Hotline at **1-844-SAF2SAY (1-844-723-2729)**.

The tip is then triaged by the Crisis Center to gather enough information and is delivered to the impacted school and, as needed, local law enforcement via 911 County Dispatch. Anonymity is strictly protected unless the person submitting the information wishes to share their identity. If an individual abuses the system or breaks a state or federal law, the District can request a court order to uncover anonymity.

Elementary Students and community members may **ANONYMOUSLY** share safety for their schools using the Safety Schools Tip Forms linked below:

School Closings and Delays

In case of inclement weather or other emergencies, Flexible Instruction Days (FID), delayed openings, school cancellations or early closings will be announced in a variety of ways. The District utilizes the parent notification calling system to alert families to changes in our schedule, as well as local television and radio news stations, the District website and email blasts. Please be sure to review any updates to your family's contact information in the school database by reviewing the School Messenger tab in your parent PowerSchool Account on the computer.

At times, parents may disagree with the decisions made by the District with regards to delays and closings. Please note that parents have the authority to bring their child in late or keep them home for the day due to inclement weather. A student tardy or absence will be excused by the District for inclement weather. Please note that while the absence is excused, it will still count among the total 10 permitted for each student.

School Lunch Program (School Board Policy 808)

All students that attend Peters Township School District are provided the opportunity to purchase meals at each building cafeteria in accordance with the National School Lunch Program (NSLP).

Parents/Guardians are solely responsible for providing their children with meals, either through money to purchase meals at school or by packing a meal from home. If for any reason a parent/guardian cannot afford to provide a meal for their child, Free and Reduced Meal benefits may be applied for, in English or Spanish, by accessing the application

at www.ptsd.k12.pa.us under Parents/Food Service Department or calling 724-941-6251 ext. 7226. Additional information pertaining to the School Lunch Program is found in Board Policy 808 and its accompanying Administrative Regulations.

Payment Options

Although students are permitted to pay for school meals with cash on a daily basis, parents/guardians and students are encouraged to deposit money in their cafeteria account so that adequate funds are readily available to purchase school meals. This will eliminate the need for to send money with the child each day, permit the line to move more efficiently and eliminate the possibility of loss.

Parents/guardians can deposit money into their child’s lunch account by:

- 1. Making an online contribution at www.payschoolscentral.com (one time and recurring payments may be made via credit/debit card or electronic check). Please note that a convenience fee is charged for this service and you will need your child’s school ID# which can be found in PowerSchool.
- 2. Sending cash or check (made out to PTFS) to school in an envelope with your child who should give it to the lunch cashier before school.
- 3. Drop off cash or check (made payable to PTFS) to the school administrative offices (building next to former Middle School) during normal working hours.
- 4. Mail a check or money order (made payable to PTFS) to 631 E. McMurray Rd, McMurray PA 15317, ensuring that your child’s name and school ID# are noted on the check or money order.

Benefits of the PaySchools Account

- 1. Can monitor what items are being purchased by your child during lunch.
- 2. Can limit items that can be purchased by your child during lunch.
- 3. Can have funds automatically deposited into the account after a certain balance is reached.
- 4. Can receive alerts when a certain balance is reached.

Restricting What Your Child May Purchase At Lunch

Parents may restrict their child’s ability to charge food items or place a dollar limit on the account by contacting the Food Service Department at (724) 941-6251 ext. 7226 or setting up those limits online at PaySchoolsCentral.com.

Limits can only be placed by calling. A parent can not place a limit through the website.

Lunch Prices

School lunch prices shall be adjusted annually in compliance with state and federal laws. Lunch prices for the 2023 – 2024 school year are as follows:

School	Regular	Premium
Elementary Schools	\$2.70	\$2.80 (Premium price includes all pizza lunches.)
Middle School	\$2.85	\$4.00
High School	\$2.85	\$4.00

Lost/Forgotten Lunch Money or Insufficient Funds in Lunch Account

If a student loses or forgets his/her lunch money and/or has insufficient funds in his/her lunch account, they will be able to buy a meal on credit with certain restrictions.

Students can NEVER be denied a reimbursable meal, even if they have accrued a negative balance from other purchases in the cafeteria; however, these students can be prohibited from charging a la carte or extra items.

Collection of Unpaid Meal Charges

- Communications regarding collection of delinquent meal charges will be directed to parents/guardians.

School staff may communicate a low balance or money owed by a student for school meals to a student in grades 9-12; such communication shall be made to the individual student in a discreet manner.

- Parents can request low balance notifications via PaySchoolsCentral.com.
- Parents/guardians of a child with a negative balance of \$7.00 or higher will receive a weekly phone call and/or e-mail via the School Messenger Service.
- Lunch balance information is also available in PowerSchool.
- All negative balances MUST be satisfied by the end of the school year. If not, unpaid meal charges may be carried over as a delinquent debt and collection efforts may continue into the new school year.
- Graduating Seniors will receive notification regarding any outstanding debts and remaining balance.
- Cafeteria cashiers must ensure that rosters, computer screens etc. at the point of service cannot be viewed by anyone who does not need access to the information, especially other children.

Surplus Funds in Lunch Account

Funds remaining in lunch accounts will transfer with the student to subsequent years. Upon graduation, upon contacting the District's Food Service Director, monies remaining in a student's lunch account can:

1. Be transferred to another student in the District (This can be done online if you have a PaySchools Central account).
2. Refunded to parent/guardian via the Food Service Department website under the Parents Tab. Click on Food Service Refund Request and fill out the form.
3. Be donated to the Peters Township Education Foundation Click on Food Service Refund Request and fill out the form.

Searches (School Board Policy 226)

The School District wants to convey a strong message to the community, faculty, staff and student body concerning the use or possession of illegal substances or weapons.

Authority to Search upon Individualized Suspicion

Students or their belongings, including lockers, automobiles, electronic devices, purses, backpacks, clothing, and other possessions, may be searched without a warrant when in school, on school grounds or when otherwise under school supervision if there is a reasonable suspicion that the place or thing to be searched contains prohibited contraband, material that would pose a threat to the health, safety and welfare of the school population, or evidence that there has been a violation of the law, Board policy, or school rules.

Random/General Searches with No Individualized Suspicion

Under certain circumstances, random or general searches of students and their belongings, including student lockers or vehicles parked on school property, may be conducted during the school day or upon entry into school buildings or school activities, in the absence of individualized suspicion focused on a particular student or students, for the purpose of finding or preventing entry onto school property or activities of controlled substances, weapons or other dangerous materials and to advance the District's compelling interest in preserving the health, safety, and welfare of the school population, enforcing rules of conduct and maintaining an appropriate atmosphere conducive to learning. Such searches normally will be conducted in a minimally intrusive manner using screening methods such as dogs or other animals trained to detect controlled substances, explosives or other harmful materials by smell, as well as metal detectors and other technology.

When such screening methods provide a reasonable suspicion that particular students, items or places possess or contain contraband materials that would pose a threat to the health, safety, or welfare of the school populations, or evidence that there has been a violation of law, District policy or school rules, physical searches of those particular students, items or places can be made on an individualized basis.

Searches upon Consent

Searches may be conducted at any time, with or without reasonable suspicion, if the student has given knowing and voluntary consent specific to the place or item to be searched regardless of the student's age.

Searches by or at Request of Law Enforcement Officials

The legal standards governing searches initiated by school officials are less strict than the standards applicable to law enforcement authorities in many situations. When searches of students, student belongings, vehicles or lockers are conducted by or at the request of law enforcement officials, with or without the involvement of school staff, the law enforcement officials are solely responsible for ensuring that a warrant has been issued or that the circumstances otherwise permit the search to be lawfully conducted in accordance with the standards applicable to law enforcement actions. School staff will not interfere with or obstruct searches initiated by law enforcement, but may assist when law enforcement officials have requested such assistance and have represented that a warrant has been issued or that they otherwise have proper authority for a lawful search.

Locker Inspections and Searches

Lockers are assigned to or otherwise made available to students as a convenience for the safe storage of books, clothing, school materials and limited personal property, and to facilitate movement between classes and activities and to and from school. Such lockers are and shall remain the property of the District, and to the extent students have any expectation of privacy of lockers at all, it is very limited. A student locker may be opened and inspected for cleanliness, with or without the consent of the student, whenever there are odors, pests or other indications that a locker contains spoiled food, soiled clothing in need of laundering or similarly unhealthy matter.

Prior to an individual locker search or inspection, the student to whom the locker is assigned shall be notified and be given a reasonable opportunity to be present. However, when there is a reasonable suspicion that a locker contains materials which pose a threat to the health, welfare or safety of the school population, student lockers may be searched without prior notice to the student.

Breathalyzer/Portable Breath Test

If the school principal has reasonable suspicion that a student is under the influence of alcohol or a controlled substance, a student may be required to submit to a Breathalyzer/Portable Breath Tests and/or be required to obtain a blood test or urinalysis before returning to school. Breathalyzers/Portable Breath Tests will be on-site at School Dances.

Handling and Disposal of Items Found in the Course of Searches

Any items or material found during a search or inspection, the student's possession of which is in violation of law, District policies or school rules, or otherwise is evidence of such a violation, may be confiscated, and may be used as evidence in student discipline proceedings or a criminal investigation, even if such items or material were not the original objective of the search or inspection.

The principal shall be responsible to ensure that confiscated items or material are properly inventoried and secured until the conclusion of disciplinary action, if any, and are then properly disposed of if not appropriate to be returned to the student. Items or materials that are evidence of a criminal offense, or that are not lawful for ordinary citizens to possess will be promptly turned over to proper law enforcement authorities for custody or disposal.

Additional information on student searches can be found in School Board Policy 226, which is posted on the District website under the School Board/District Policies tab.

Service Animals (School Board Policy 718)

A student with a disability may request to bring a service animal to school. Before a service animal may be brought to school the policies and procedures outlined in Policy 718 and the attached Administrative Regulation must be followed. This information can be found on the District website under the School Board/District Policies tab. Animals are not permitted in school without prior administrative approval.

Skateboards, Hover boards, Roller blades and Skates

Unless being used as part of an approved classroom or school activity, skateboards, hover boards, roller blades, and skates of any kind are not permitted on school property. Students are to leave them at home.

Standardized Testing

Peters Township School District is required to administer standardized tests and elects to administer others. The following standardized assessments are administered at each grade level during the regular school day:

PSSA Language Arts/Math	Grades 3, 4, 5, 6, 7, 8
PSSA Science	Grades 4, 8
Acadience	Grades K, 1, 2, 3, 4, 5
PSAT 8/9	Grade 9
PSAT NMSQT	Grades 10 & 11
Keystone Exams	All students completing Algebra, Biology, and English 10.
English Language Proficiency	K-12 ESL (English as Second Language) students only

Chapter 4 of PA Code provides parents with the right to excuse their child from state assessments if, upon inspection of materials, they find the assessment to be in conflict with their religious beliefs. Please contact your child's school principal for more information.

Student Complaint Process (School Board Policy 219)

Students have the right to request remedy of a complaint and shall be afforded the opportunity to be heard personally by the school authority at each level. A student complaint may arise from actions that directly affect the student's participation in an approved educational program. A student shall not be subjected to any reprisals because of filing a complaint. Student complaints should be submitted following School Board Policy 906. In general, the same procedure for public complaints set forth in School Board Policy 906. In general, the complaint should follow the following path:

1. First, it shall be addressed initially to the concerned employee, who shall discuss it with the complainant and attempt to provide a reasonable explanation or take appropriate action within the employee's authority.
2. Thereafter, if the issue cannot be resolved satisfactorily at the first level, it shall be discussed by the complainant with the school principal or the employee's immediate supervisor.
3. If a satisfactory solution is not achieved by discussion with the school principal or immediate supervisor, a conference shall be scheduled with the Superintendent or designee.
4. Should the matter not be resolved by the Superintendent or designee or is beyond his/her authority and requires Board action, the Complainant may bring the issue to the Board by submitting a written report to the Board President.

Student Fundraising (School Board Policy 122, 123, 229)

Students are prohibited from the collection of money for personal benefit in school buildings, on school property or at any school-sponsored activity.

Student fundraising includes solicitation and collection of money by students in exchange for goods or services including goods or services for donation for charitable or non-charitable purposes. Fundraisers by individual students and school organizations require prior approval of administration.

Service Projects/Charitable Fundraisers – Approvals Needed

All monetary or in-kind donation fundraisers *for the benefit of a charitable organization, rather than the student group/organization*, must be processed through the Athletic Director if it involves a high school student/group or the appropriate principal if it involves a student/group related to a building other than the high school. Approval of these projects remains at the building level and School Board approval is not necessary, even if direct student involvement in the activity occurs.

Other Fundraisers – Approvals Needed

All fundraising activities intended to raise money for the benefit of the student group must obtain the same building-level permission as Charitable Fundraisers described above. In addition to this building-level permission, *if the fundraising activity includes direct involvement of students*, the fundraiser must also be approved by the School Board. Since Board approval can only be obtained by a vote at a monthly regular meeting (usually held on the 3rd Monday of each month), requests for such approval must be made via the Athletic Office 30 days prior to the Board meeting.

All students/groups are encouraged to request permission for fundraisers as soon as possible. Fundraisers must be approved before any tickets are handed out, fliers posted, items ordered or sales begin. Students/groups do not have to wait to submit fundraising requests that will be held throughout the year and are encouraged to request permission for all planned fundraisers at the beginning of the year to ensure that approval is obtained prior to the planned event. In the event that prior approval is not obtained, the student/group could face administrative penalties, including but not limited to the denial of future fundraising requests. All fundraising forms are available in the Athletic Office and further questions should be directed to that office.

Due to safety concerns, students cannot be required to conduct door-to-door sales for fundraising activities. Furthermore, no group may require mandatory participation in any fundraising activity as a condition of participation or membership in the organization.

All fundraisers must comply with applicable laws, including but not limited to the PA Solicitation of Funds for Charitable Purposes Act and the Local Option Small Games of Chance Act.

All announcements or advertisement of the fundraiser should clearly indicate that it is sponsored by the student/group and not the school or District. (See Policy 913 for the appropriate disclaimer to be added to print/electronic advertisements.)

All money raised by Board-approved student groups must be handled in accordance with Policy 618.

Student Grades

Grading Scale

The following represents the grading scale for grades K-3 in the Peters Township School District:

Letter Grade	Percentage
M = Mastered	90 - 100
P = Proficient	70 - 89
N = Needs Improvement	0 - 69

The following represents the grading scale for grades 4-12 in the Peters Township School District:

Letter Grade	Percentage
A	90 - 100
B	80 - 89
C	70 - 79
D	60 - 69
F	Below 60
*I	Incomplete

* The student has ten (10) days from the last day of the report period to make up work to get the incomplete rectified. An Incomplete becomes an "F" after ten (10) days.

Web Access to Grades and Additional School Information (School Board Policy 212)

Parents can access student's grades at any time via the PowerSchool link on the District web site. PowerSchool offers parents the real-time access to grades, attendance, homework assignments and other class information. PowerSchool also provides specific bus stop locations and times (Bus Information Tab) allows you to email teachers (Teacher Comment tab + clicking on teacher name), ask for automatic updates on your child's progress (Email Notification Tab), view the school bulletin/announcements (School Bulletin Tab) and have daily building announcements sent to your email (Email Notification Tab + click on School Announcements). Visit the PowerSchool page on the District's webpage for more information on accessing your account or updating your contact information.

Grade Reports (School Board Policy 212)

Students and parents/guardians should receive ample warning of a pending grade of failure or one that would adversely affect the student's academic status. Academic achievement, attendance and other factors related to learning shall be evaluated regularly and communicated to students and parents/guardians. If you are concerned about a grade that your child received, you are encouraged to reach out to the classroom teacher.

Teachers are required to enter grades in PowerSchool on a regular and timely basis. If you are concerned that a particular grade has not been entered for your child, please contact the classroom teacher directly and make an inquiry. If the failure to timely record grades occurs on a consistent basis, please contact the principal.

Parents may use the PowerSchool link to access their child's information. When grades become final upon the end of a grading period, parents will be notified via email blast. Paper reports will be provided upon request. However, after the close of a school year, once grades become final, unofficial paper transcripts are sent directly to your home.

Student Photos/Images for Publicity Use (School Board Policy 902)

The Peters Township School District seeks to actively promote the positive accomplishments of our students. In many cases, photos of our students appear in local media and in publications produced by the District. If you DO NOT wish for your child's photo image to be used for inclusion in newspaper publicity, reproduced in school publications such as the school calendar and newsletter via InPeters Township Magazine, or to appear on the District's web site and social media accounts, please complete and return the Photo Refusal Form on the District website to the main office in your child's school. (The form is attached to the bottom of Policy 902 as 902 AR-1 on the School Board/Policy tab of the District website.) These forms must be completed annually.

Student Records (School Board Policy 216)

The educational interests of students require the collection, retention, and use of data and information about individuals and groups of students while ensuring the individual's right to privacy. The District will maintain educational records for students for legitimate educational purposes. The Board recognizes its responsibility for compilation, retention, disposition and security of student records. The Board also recognizes the legal requirement to maintain the confidentiality of student records.

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over eighteen (18) years of age ("eligible students") certain rights with respect to the student's education records. These rights include:

1. The right to inspect and review the student's education records within forty-five (45) days of the day the school receives a request for access. Parents or eligible students should submit to the principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes to be inaccurate, misleading, or otherwise in violation of the student's privacy rights. Parents or eligible students who wish to ask the school to amend a record should submit to the school principal a written request that clearly identifies the record or part of the record they want changed and specify why they feel it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to privacy of personally identifiable information in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One (1) exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor,

instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist, technology or software company, bus driver, or food service personnel); a parent or student serving on an official committee, such as a disciplinary or grievance committee; Pennsylvania Department of Education's Office of General Counsel when performing investigations under the Educator Discipline Act, or assisting another school official in performing his or her tasks; or a parent, student, or other volunteer assisting another school official in performing his/her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his/her professional responsibility. Criteria for determining whether the official has a legitimate interest include, but are not limited to, whether particular information concerning the student is: (a) presently or potentially relevant to the provision of education, education-related services, or extracurricular activities or experiences, or (b) necessary to protect the health, safety, or welfare of school officials and/or other students with whom the student might have contact. Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

5. The District is permitted by law to disclose appropriately designated "directory information" without obtaining the prior written consent of the parent or eligible student unless the parent or eligible student has advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the District to include this type of information from a child's education records in certain school publications. Examples include:

- A playbill, showing a student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

6. Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two (2) federal laws require the District to provide military recruiters, upon request, with the following information on its junior and senior class students – names, addresses and telephone listings – unless parents have advised the District that they do not want their student's information disclosed without their prior written consent.

If you do not want the District to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing by September 30th of each school year.

The School District has designated the following information as directory information:

- a) The student's name, address, listed telephone number, date, and place of birth.
- b) Student's email address.
- c) Program or major field of study.
- d) Dates of attendance.

- e) Participation in officially recognized school activities and sports.
- f) Weight and height of members of athletic teams.
- g) Placement on the honor roll.
- h) Certificates and awards received.
- i) The most recent previous educational agency or institution attended by the student.
- j) Grade level.
- k) Enrollment status.
- l) Photograph/School Picture.

Questions regarding this notice or your rights under FERPA should be directed to the principal.

Student Responsibilities (School Board Policy 235)

The School Board has the authority to make reasonable and necessary rules governing the conduct of students in school and has authorized the administration with the responsibility to administer such rules consistent with School Board policy. School rules are assumed to be reasonable until they are rescinded or waived. Students, therefore, shall obey school rules while working through channels to help change those they seek to have changed.

It is the responsibility of students to:

1. Be aware of all policies, rules and regulations for student behavior and conduct him/herself accordingly. Each student shall assume that, until a rule is waived, altered or repealed in writing, it is in effect.
2. Volunteer information in matters relating to the health, safety and welfare of the school community and the protection of school property.
3. Dress and groom to meet standards of safety and health, and not to cause substantial disruption to the educational processes.
4. Assist the school staff in operating a safe school.
5. Comply with federal, state and local laws.
6. Exercise proper care when using District facilities, school supplies and equipment.
7. Attend school daily and be on time to all classes and other school functions.
8. Make up work when absent from school.
9. Pursue and attempt to satisfactorily complete the courses of study prescribed by local school authorities.
10. Report accurately in student media.
11. Not use obscene language in student media or on school property.

Violations may result in disciplinary action.

Student Trips (School Board Policy 121)

Student trips are a privilege. To participate, a signed parental permission form must be submitted. Students must meet all obligations for missed coursework. The teacher, sponsor or coach will enforce school rules, all of which apply during student trips. Students who violate school rules will be subject to disciplinary consequences, parent/guardian notification, and may be sent home at parental/guardian expense. Students represent our District wherever they go, and their behavior should be exemplary.

Field trips are not mandatory and consequently, students who do not participate will not be held academically accountable for information acquired as a result of the field trip. The District will provide supervision for any students not participation in a field trip. Students who do not return a signed permission slip or who otherwise chose not to participate in a field trip will be given a related assignment to complete during the time of the field trip. No student will be denied an opportunity to participate in a field trip for financial reasons if the family is economically disadvantaged or other financial hardship is shown to the Superintendent.

Non-School Sponsored Trips

There are certain instances where staff members organize and solicit District students for a trip that is not school-related, sponsored or endorsed, and that occurs outside of the academic calendar. This occurs most often with foreign-language

led trips to Europe in the summer. It is important to note that these trips are neither authorized nor sponsored by the District. The District does not supervise the staff member, does not investigate the safety of the trip or the travel company used, and does not endorse, support or assume responsibility in any way for any District staff member who takes students on these trips. Staff members who organize such trips are required to notify all participants in every communication that the trip is organized independently of the District. Parents and students are encouraged to independently research the trip to determine whether it is appropriate to participate.

The parent/guardian of each student (or emancipated student) participating in a non-school sponsored trip must sign an acknowledgement recognizing that the District is not involved in and therefore bears no responsibility with respect to the trip (in the form attached to Policy 121 as AR-4). The District staff member organizing the trip shall deliver all forms to the Superintendent prior to the date of the trip.

Suicide Prevention (School Board Policy 819)

The Suicide Prevention Policy provides students with age-appropriate education on the importance of safe and healthy choices, coping strategies, how to recognize risk factors and warning signs, as well as help-seeking strategies for self or others including how to engage school resources and refer friends for help. All District employees receive professional development on risk factors, warning signs, response procedures, referrals, and resources regarding youth suicide prevention. In addition, Guidance Counselors receive additional training on risk assessment and crisis intervention. Please refer to School Board Policy 819, which can be found on the District website on the School Board/District Policies tab, for more information and resources for Suicide Prevention.

No matter what problems students are dealing with, the District wants students to know that help is available. If students are in a crisis, please reach out to a Guidance Counselor or another trusted adult. Help is also available from the National Suicide Prevention Lifeline Hotline. By calling 1-800-273-TALK (8255) students will be connected to a skilled, trained counselor at a crisis center in the area, anytime 24/7. (Citation - <http://www.suicidepreventionlifeline.org/>) Additional resources are found on the Administrative Regulation attached to Policy 819.

If a student is identified by the school as being at risk of suicide, parents/guardians will be notified by the school. Parents, guardians and students are encouraged to contact the student's counselor or other trusted adult if any student is subjected to one or more of the risk factors for suicide or exhibits warning signs of suicidal behavior. A coordinated effort could save a life.

Risk factors refer to personal or environmental characteristics that are associated with suicide including, but not limited to:

Behavioral Health Issues/Disorders:

- Depression
- Substance abuse or dependence
- Previous suicide attempts
- Self-injury

Personal Characteristics:

- Hopelessness/Low self-esteem
- Loneliness/Social alienation/isolation/lack of belonging
- Poor problem-solving or coping skills
- Impulsivity/Risk-taking/recklessness

Adverse/Stressful Life Circumstances:

- Interpersonal difficulties or losses
- Disciplinary or legal problems
- Bullying (victim or perpetrator)
- School or work issues

- Physical, sexual or psychological abuse
- Exposure to peer suicide

Family Characteristics:

- Family history of suicide or suicidal behavior
- Family mental health problems
- Divorce/Death of parent/guardian
- Parental-Child relationship

Warning signs are indications that someone may be in danger of suicide, either immediately or in the near future. Warning signs include, but are not limited to:

- Expressions such as hopelessness, rage, anger, seeking revenge, feeling trapped, anxiety, agitation, no reason to live or sense of purpose
- Recklessness or risky behavior
- Increased alcohol or drug use
- Withdrawal from friends, family, or society
- Dramatic mood changes

Surveys of Students (School Board Policy 235.1)

Surveys conducted by outside agencies, organizations, and individuals shall be approved by the Peters Township Board of School Directors, based upon the Superintendent's recommendation, prior to administration to students. All surveys and instruments used to collect information from students shall relate to the District's educational objectives. Parents/guardians shall be informed of the nature and scope of individual surveys and their relationship to the educational program of their child. Parents/guardians have a right to inspect, upon request, a survey created by a third party prior to administration or distribution to their student. Such requests shall be in writing and submitted to the principal and Superintendent. The requester will be notified of a time and place for the review of the material within five (5) days of receipt of the request. No student shall be required, as part of any program funded in whole or in part by the U.S. Department of Education, to submit to a survey, analysis or evaluation information concerning one or more of the protected areas outlined in Policy 235.1, without prior signed, dated, written parental consent for students under eighteen (18) years of age or written consent of emancipated students or those over eighteen (18) years of age. For surveys that are not required as part of a program administered by the U.S. Department of Education, parents may opt out of survey participation by emailing the principal at least five (5) days prior to the survey.

Please refer to Policy 235.1 for more information pertaining to surveys of students.

Technology Use (School Board Policy 815)

The Peters Township School District provides its employees, students, and guests access to District Technology Resources. The Board supports use of these resources in the District's instructional and operational programs in order to facilitate teaching and learning, to provide access to information, to aid in collaboration, and to carry out the District-related business and daily operation of the District. .

The electronic information available to students on the Internet or through web-based services does not imply endorsement of the content by the School District, with the exception of resources approved and adopted by the Board of Directors. The District does not guarantee the accuracy of information received on the Internet. The District is not and will not be responsible for any information that may be lost, damaged or unavailable when using District Technology Resources or for any information that is retrieved via the Internet. The School District is not and will not be responsible for any unauthorized charges or fees resulting from access to the Internet or other commercial online services. Parents/Guardians are legally and financially responsible for their child's actions.

Before students can use the District's network, they are required to submit the District's Acceptable Use Form and to electronically log in and agree to abide by the District's Technology Acceptable Use Policy. There is a summary of the policy on the computer screen that the student can read each time before clicking on "agree." It is assumed that the

parents of all students will agree to this procedure, otherwise the parent is to notify the school office that his/her child will not be permitted to use District Technology-Resources.

School Board Policy 815 more fully explains the standards of acceptable behavior/use of the District's Technology Resources. All Students, parents and guardians are encouraged to be fully versed on the Acceptable Use of Technology Resources. Student, staff, and guest use of any District Technology Resource is a privilege, not a right and can be denied to the extent that use is not in accordance with Board policy. The District Technology Resources remain the property of the District and the use may be revoked, suspended, inspected at any time to ensure compliance with this and other District policies.

Any user who suspects a violation of the school's computer use policies, or who has knowledge of potential vulnerabilities or security loopholes in a system or network at PTSD should immediately notify a school administrator or the Director of Instructional Technology.

Expectation of Privacy

Users of District Technology Resources shall have no expectation of privacy in anything they create, store, send, delete, receive or display on or over the District Technology Resources, including personal files or any use of the District's internet, computers or network resources. The District reserves the right to monitor, track, and log network access to and use of District Technology Resources; inspect, copy, and review any and all usage of District Technology Resources including information transmitted and received via the Internet to ensure compliance with this and other District policies, and state and federal law; monitor file-server space utilization by Users; decrypt and inspect encrypted internet traffic and communications; establish network storage limitations; or deny access to prevent unauthorized, inappropriate or illegal activity.

Accounts shall only be used by the authorized owner and students should never share their password or account with another person. Network users shall respect the privacy of other users on the system. The District reserves the right to purge data stored by all Users and to delete an account when students are no longer enrolled in or in the service of the District.

Threat Assessment (School Board Policy 236.1)

The Board is committed to protecting the health, safety and welfare of its students and the school community and to providing the resources and support to address identified student needs. The Peters Township School District complies with all Threat Assessment Team requirements under Act 55 of 2022. All school buildings within the Peters Township School District have threat assessment teams composed of, but not limited to, the following District employees: principal, school counselor, nurse, School Resource Officer (where applicable), and additional members, as needed. Building level teams report to the District level team, which includes District Central Office administrators and the Communications Coordinator. All team members have received training on the process of identifying, reporting, assessing, responding to and intervening with threats by utilizing the threat assessment process and protocols. The School Safety and Security Coordinator has been identified as the Assistant Superintendent. The Assistant Superintendent and Communications Coordinator oversee training, development, and implementation of Threat Assessment and School Safety programming. Annually, staff is provided with information on how to identify and report a threat or student displaying at-risk behavior, and how to conduct safety and security drills. Student information reviewed and maintained by the Threat Assessment Teams is confidential.

For more information about the Threat Assessment Team, please see School Board Policy 236.1 – Threat Assessment.

Tobacco and Vaping Products (School Board Policy 222)

Tobacco and vaping products including Juuls and other electronic cigarettes (e-cigarettes), present health and safety hazards that can have serious consequences for both users and nonusers and the safety and environment of the schools. The District prohibits the possession, use, purchase or sale of tobacco and vaping products, including the product marketed by Juul and other e-cigarettes, regardless of whether such products contain tobacco or nicotine, by or to students at any time in a school building; on school buses or other vehicles that are owned, leased or controlled by the

School District; or at school-sponsored activities that are held off school property. Students are prohibited from possessing products marketed and sold as tobacco cessation products or for other therapeutic purposes except as defined by Policy 209. Students are also prohibited from possessing any form of medical marijuana at any time in a school building; on school buses or other vehicles that are owned, leased or controlled by the School District; or at school-sponsored activities that are held off school property.

Violation of this policy will result in disciplinary action (Reference Section III: Student Code of Conduct). If a student is directly involved in an incident involving possession, use, purchase, or sale of tobacco and vaping products including Juuls and other electronic cigarettes (e-cigarettes) in violation of this policy, his/her parent/guardian will be notified.

Valuables

Students are responsible for their personal property. Students should not bring expensive belongings to school because they could be lost, stolen, or damaged. The school is not responsible for these belongings and will not be responsible for reimbursing a student for personal property that is lost, stolen, or damaged.

Visitor Management

The District utilizes the Raptor Visitor Management system to assist with safety efforts related to visitors to our schools. This system scans state issued identification of all visitors and compares it to a national sex offender database. We also understand that parents and/or guardians may need to place restrictions on individuals who may not have access to their child during the school day. Please note that without prior written approval from a parent, students may not be released to any individual who is not included on the child's emergency card unless the release is required by a current custody order of court.

For parents with specific custody arrangements, please complete the Student Access Restriction form on the School Safety page of the District website (www.ptsd.k12.pa.us/SchoolSafety.aspx), attach a copy of the court documents, and return it to your child's school counselor. Requests may also be made related to a specific individual(s) that may not request access to your child (including lunch visits, appointments with the teacher, attendance at school-day events, etc.), by completing the form. This information will be included in our PowerSchool database and will be used by our visitor management system to alert the staff if the individual would try to enter the school via the main office.

Volunteers (School Board Policy 916)

The District strongly supports the involvement of parent/guardian and community volunteers. State law now requires any volunteer who is responsible for the welfare of a student or has direct volunteer contact with a student to have the necessary clearances on file with the District. Parent volunteers must submit:

1. Pennsylvania Child Abuse History Clearance,
2. Pennsylvania State Police Criminal Record Check,
3. FBI Federal Criminal History Record/Fingerprint (unless a waiver of the fingerprint requirement is applicable),
and
4. An Acknowledgement of Volunteer Obligations.

A waiver of the fingerprint record check is available under certain circumstances to those who:

1. Have lived in PA for ALL of the past ten years or
2. Have not lived in PA for 10 years but have received a favorable Federal Criminal History Record/Fingerprint check since establishing residency.

Acquiring the clearance documents takes time and we recommend that parents planning on volunteering in the schools complete the process as soon as possible. The documents will remain on file with the District and are valid for sixty (60) months from the date of the earliest clearance, at which time new clearances will be necessary. The District has created a Volunteer website to help parents through the process complete with links to complete the clearances and downloads of the necessary forms. Please visit the site at www.ptsd.k12.pa.us/volunteers.aspx

For the safety of students and staff, volunteers are:

1. Subject to the safe and orderly running of the building,
2. Expected to maintain the privacy of confidential student information,
3. Expected to respect the authority of the teacher or supervisor overseeing the volunteers, and
4. Required to sign-in at the appropriate building with a statement of their volunteer purpose.

If you ever have a question about whether clearances are necessary, please contact the principal for guidance. Clearances are NOT required if you wish to have lunch with your child.

After submitting clearances, you have a legal obligation to notify the District within 72 hours if you are arrested for or convicted of a Disqualifying Offense, or named as a perpetrator of a founded report of child abuse. Anyone failing to disclose information required under the policy commits a misdemeanor of the third degree and will be reported to law enforcement.

Weapons and Dangerous Instruments (School Board Policy 218.1)

The School District acknowledges that an orderly school environment is necessary for an effective instructional program and productive workplace. In order to provide for an orderly school environment and safe workplace, the possession of weapons and dangerous instruments and/or look-alike weapons by students, while on school grounds, at school sponsored activities, in any student vehicle on school grounds or at any school sponsored activity anywhere, or in any vehicle provided by the Peters Township School District, is strictly prohibited.

The term “weapons” includes but is not limited to any knife, cutting instrument, cutting tool, nunchaku, firearm, shotgun, rifle, mace, pepper spray, and similar items, and any other tool, instrument or implement capable of inflicting serious bodily injury and replica of weapon.

Anyone observing or otherwise becoming aware of weapons on school property, at school activities, in student operated vehicles, or in vehicles provided by the District, should report the same to the principal or other trusted, adult District employee immediately.

Prior to the admission of any pupil to the Peters Township School District, the parent, guardian or other person having control or charge of the student shall, upon registration, provide a sworn statement indicating whether the pupil was previously suspended or expelled from any public or private school for an act or offense involving weapons, alcohol or drugs or for any other willful act of violence committed on school property. Said statement shall be included in the student's disciplinary record. A request for a copy of the student's disciplinary record will be forwarded to the student's previous place of schooling for verification.

Whenever a pupil transfers from the Peters Township School District, a certified copy of the student's disciplinary record shall be forwarded, as per Act 26 of 1995, to the school entity to which the pupil has transferred, and within ten (10) days of the school's request. Permission of the parent or other person having control or charge of the student shall not be required for transfer of the student's disciplinary record to another school entity.

Withdrawals

Upon withdrawal from the District, all District-owned supplies and equipment in the possession of the student shall be returned to the principal.

When Transferring to Another School

A release of records form should be completed by the parent/guardian of any student who is withdrawing. Teachers and staff will summarize the student's progress and prepare the student's file, including health records, to forward to his/her next school of enrollment. All records will be forwarded by U.S. mail, email, or fax.

If a student plans to leave the Peters Township School District, the office should be informed as soon as possible in order for school records to be sent to the new school. On the last day the student attends school, they will receive a

“Notice of Withdrawal” to share with their teachers so they can collect books and record grades for their classes. We appreciate a twenty-four (24) hour notification before a student will be withdrawing, so the attendance secretary can prepare the proper forms and paperwork.

Permanent Withdrawal (School Board Policy 208)

No student under the age of eighteen (18) will be permitted to withdraw without the written consent of a parent/guardian and supporting justification. Counseling services will be made available to any student who states an intention to withdraw permanently.

A student is of compulsory school age in Pennsylvania until attaining age eighteen (18). A student under the age of eighteen (18) shall not be permitted to withdraw without notice of intention to enroll in another public or private day school unless otherwise required by law.

- Terroristic and bomb threats

Level III Disciplinary Options/Responses

- Out-of-school suspension except in cases of truancy or excessive absences.
- Formal Hearing
- Expulsion
- Criminal prosecution
- Other board action which results in appropriate disciplinary action
- Referral for psychological services and/or drug and alcohol evaluation
- Charges filed under PA Crimes Code, Title 18 Pa C.S.

Drug and Alcohol Violations

Drug and Alcohol violations (on campus or at away school events) will result in the following consequences:

First Offense:

1. The principal/assistant principal will be immediately notified of any violations.
2. The School Nurse may evaluate the student.
3. The student may be administered a breathalyzer by an administrator or designee.
4. The principal or designee will promptly notify the student's parent(s)/guardian(s) concerning this incident.
5. The principal or designee will notify the School Resource Officer and proper legal authorities of violations.
6. The student may be sent home or removed from school to receive medical attention, if required. When parent(s)/guardian(s) cannot be reached, the principal or designee will decide whether or not to obtain medical treatment for the student or temporarily isolate the student.
7. The principal or designee will schedule an informal hearing.
8. At the informal hearing, if the principal or designee determines the offense has been committed by the student, the principal or designee will:
 - a) Suspend the student for up to ten (10) days and have the option of requesting a formal disciplinary hearing to be scheduled before the Board or a committee of the Board, where additional suspension days or permanent expulsion will be recommended.
 - b) Recommend that the student undergo a drug and alcohol assessment by a licensed drug and alcohol facility for up to ten (10) days or prior to returning to school.
 - c) Recommend referral to the District's Student Assistance Program (SAP).

Students suspended from school will not participate in or attend as a spectator any school-related sponsored activity or event. The student will be placed on probation for any after-school/extracurricular activity for at least thirty (30) days and lose their parking pass, if applicable. Additional violations of the Code of Student Conduct may result in a hearing before the Board.

Second Offense:

1. A second violation during the years encompassing grades 6-12 will result in a Board hearing for expulsion except when individual circumstances warrant a different outcome as determined by the Superintendent.
2. All requirements, procedures, due process, and penalties that govern a first offense under these guidelines will apply under the second offense. However, if after the informal hearing, the principal or designee determines the offense has been committed by the student, the principal or designee will request a formal disciplinary hearing to be scheduled before the Board, or a committee of the Board, where permanent expulsion will be recommended.

Students suspended from school will not participate in or attend as a spectator any school-related sponsored activity or event. The student will be placed on probation for any after-school/extracurricular activity for at least a semester and lose their parking pass, if applicable.

An infraction occurs when a student attempts to or succeeds in delivering controlled substances or possesses with the intent to distribute.

Tobacco and Vaping Product violations will result in the following consequences:

1st offense – 1 day out-of-school suspension, magistrate citation and/or referral to an adjudication alternative such as a smoking cessation class

2nd offense – 3 day out-of-school suspension and/or magistrate citation

3rd offense – 5 day out-of-school suspension and referral to Board of School Directors for a hearing

A student shall be subject to prosecution initiated by the District and, if convicted, shall be required to pay a fine for the benefit of the District, plus court costs. In lieu of the imposition of a fine, the court may admit the student to an adjudication alternative.

Academic Misconduct Violations

Level I Academic Misconduct Violations are first offenses on minor assignments, including cheating, sharing or unauthorized collaboration on a homework assignment or classwork.

Level II Academic Misconduct Violations are second occurrences for Level I Academic Misconduct Violations; first offenses of plagiarism, falsification/fabrication or tampering; and cheating, sharing or unauthorized collaboration on major assignments including tests, quizzes, labs, projects, essays, or any other assignment requiring multiple days to complete.

Level III Academic Misconduct Violations are multiple occurrences of Level I or Level II Academic Misconduct Violations.

Consequences for Academic Misconduct

Consequences for Level I Academic Misconduct may include but are not limited to:

- Student conference with teacher
- Parent/guardian notification
- Loss of credit or reduced grade
- Discipline Referral to the Main Office
- Teacher may decline to write or retract a letter of recommendation
- Incident recorded in student's discipline record
- Detention

Consequences for Level II Academic Misconduct may include but are not limited to:

- Discipline Referral to the Main Office
- Student conference with teacher, parent/guardian and administrator
- Loss of credit or reduced grade
- Detention or Suspension
- Teacher may decline to write or retract a letter of recommendation
- Alternative assignment may be required to demonstrate mastery of content
- Referral to the Student Assistance Program (SAP)
- Incident recorded in student's discipline record

Consequences for Level III Academic Misconduct may include but are not limited to:

- Discipline Referral to the Main Office
- Student conference with teacher, parent/guardian and administrator
- Loss of credit
- Suspension
- Referral to the Student Assistance Program (SAP)
- Incident recorded in student's discipline record
- Teacher may decline to write or retract a letter of recommendation
- Suspension or removal from extracurricular activities, athletics, elected or appointed offices and disqualification for National Honor Society, academic awards and senior recognitions.

IV

SECTION IV: Student Services

Language Instruction Educational Program for English Learners (School Board Policy 138)

The District has developed a formal Language Instruction Educational Program and Bilingual Education Program policy to ensure quality educational services to all students. To accomplish this goal, the District's objectives are to provide appropriately planned instructional services for identified students whose dominant language is not English. The ESL teacher works closely with the administrative staff and classroom teachers to assist students in improving their English proficiency. All students are integrated with their peers except when it is necessary to pull them out of class to provide specific services.

Gifted Support (School Board Policy 114)

Specially designed instruction is provided for students who are identified as intellectually gifted in accordance with Chapter 16 of Title 22 of the Pennsylvania Code. These individuals have demonstrated cognitive and academic performance, which has been determined to be significantly beyond age/grade level norms. After a thorough review of each identified gifted learner's educational needs, a team of qualified professionals and the parents develop a Gifted Individualized Educational Plan (GIEP).

More specific information relating to the District's Gifted Education program can be found in Policy 114, located at the School Board/Policy Tab of the District website. In addition, several Administrative Regulations can be found as attachments at the bottom of the policy that relate to Gifted Screening criteria (114 AR-1), Gifted Identification Process decision tree diagram (114 AR-2) and Peters Township Gifts Criteria (114 AR-3). Questions about Gifted Support should be directed to the Director of Pupil Services.

Health Services

School nurses and health paraprofessionals work with school staff and parents to ensure that state and school health and safety regulations are properly implemented. Should students have special medical needs, the District provides information and services.

Health Services is designed to prevent health problems as well as treat minor illnesses and accidents so a student can continue his or her day in school. As soon as possible, any serious illness or accident will be reported to the student's parents.

Accidents, Injuries, and Illness

If a student gets sick or injured during the school day, a pass can be obtained from the teacher and the student should report to the nurse's office. The nurse will contact the parents if necessary. Any dismissals due to health reasons must come through the health office. If a child needs to be sent home, parents will be called by the school and requested to take the child home.

In the event the accident, injury, or illness is too serious for the student to report to the school nurse, or a situation occurs off site during a related activity, the student should seek assistance from a teacher, coach, sponsor, or other adult who is acting in a supervisory role. Students are not permitted to leave the activity site, school grounds or attempt to address the situation without adult assistance.

When possible, the parent/guardian will be asked if they wish the school to summon an ambulance, if they wish to accompany the child in the ambulance or have a member of the staff accompany the child. In an emergency, the District will immediately summon an ambulance to transport the student to a hospital and the parent/guardian will be notified. School personnel accompanying or transporting a student to a hospital will remain with the student until the parent/guardian or other responsible adult arrives. All ambulance and other costs are the responsibility of the parent/guardian.

Re-admission of any child to school following a contagious illness will be dependent upon the child being free of symptoms, as well as the possible observance of an exclusion period. The school nurse should be consulted if there are any questions or concerns regarding re-admission to school. Parents will be contacted if a child misses three or more days of school. Students who cannot attend school for ten (10) or more consecutive days due to medical reasons may be eligible for homebound instruction. This service is to be arranged through the principal's office at the request of the parent or guardian.

Emergency Contact Information

Each year, parents/guardians will update emergency contact and medical information electronically via an on-line portal. This information will be kept on file in the health office. Please be sure your contact information is updated at all times as these phone numbers are used for the District's emergency notification system.

Diabetes Management (School Board Policy 209.2)

Prior to student self-administering insulin, parents and students must complete the Peters Township School District Medication Form (Policy 210 AR-2). The student, parent(s), and school nurse must sign this form to acknowledge proper training and use. This form must be updated annually. Students, who are unable to self-administer, will be able to store medication in an easily accessible location under the direction of a school nurse or other trained District-trained Diabetes Personnel.

Immunization and Communicable Diseases (School Board Policy 203)

Children in public schools must be immunized for tetanus, diphtheria, acellular pertussis, polio, measles, mumps, rubella, hepatitis B and varicella (chickenpox). Children attending grade 7 are required to have an updated tetanus, diphtheria, acellular pertussis (Tdap) and a meningococcal conjugate vaccine (MCV). Children entering grade 12 will also need 1 dose of meningococcal conjugate vaccine (MCV). Without these required immunizations the student will not be permitted to attend Peters Township School District. Exceptions do apply for medical reasons and religious beliefs. In the event of an incidence of a reportable communicable disease within the student community for which another student is unimmunized, the unimmunized student may be excluded from school, as permitted by law, to lessen the risk of transmission of the disease and safeguard the well-being of the educational community. The school nurse should be contacted with any questions or concerns in this area.

Where applicable, those individuals who are identified as symptomatic or asymptomatic carriers of communicable diseases, infected with acute diseases, and/or chronic infectious diseases will be restricted from the school environment until such a time that it is ascertained their presence within the educational setting will not present a risk to themselves or others. Individually afflicted students shall be afforded their due process rights in respect to continued attendance or when appropriate be provided with education in the least restrictive environment. For more information pertaining to School Board Policies related to communicable diseases, please refer to School Board Policy 203, the attachment to Policy 203 that can be found at the bottom of the policy on the District website (203 AR-1 – MRSA) and School Board Policy 203.1- HIV Infection

Medications (School Board Policy 210)

The School District recognizes that to improve student health and regular school attendance, it is often necessary to administer medication or render limited medical care to students during the school day. The Medication Policy defines guidelines for the District's responsibility to administer medication or medical care. To ensure proper administration of medication, any student needing "prescribed medication" (prescriptions or over-the-counter medication which has been prescribed by a doctor in writing) during school hours, per the physician's instructions, must follow these procedures:

1. Obtain and process a medication form, which should outline specific procedures for administering medication.
2. All medications must be registered and stored in a locked area of the school's health office. The medication must be in a proper pharmaceutical container, bearing the student's name, physician's name and treatment instructions, including times the medication is to be administered.

In some cases, a parent may determine the need for his/her child to take "over-the-counter" medication (such as aspirin, cough medicine, etc.). This medication must also be registered at the school nurse's office, following the procedures

previously listed. The School District cannot, however, assume responsibility for maintaining a schedule to administer “over-the-counter” medication, unless a physician prescribes it.

The School District does not assume responsibility for any reaction that may occur following administration of medication sent from home nor can there be any responsibility assumed if the parent/guardian does not send sufficient medication or does not complete the proper medication form. Parents/Guardians are assuming the responsibility for adverse reactions from medication. It is the parent’s/guardian’s responsibility to check with the pharmacy and/or physician regarding contraindication of over-the-counter with other prescriptions or over-the-counter medications.

Planning for the administration of medication during field trips and other school-sponsored activities should start early in the school year and should include collaboration between administrators, teachers, nurses, appropriate parents/guardians and other designated health officials.

A licensed medical professional will not be available for after-school activities to administer medication as these activities are considered voluntary activities and not mandated by the school. Parents/Guardians are responsible to make arrangements for their student’s medication needs after school hours.

More detailed information regarding the District’s medication policy can be found in Policy 210, located at the School Board/Policy tab of the District website. In addition, four attachments can be found at the bottom of the policy that cover Use of Medications (210 AR-1), District Medication Form (210 AR-2) and Overnight Field Trip Medication Form (210 AR-3), and Off-Campus Field Trip Emergency Medication Form (210 AR-4).

Physical and Dental Examinations (School Board Policy 209)

State law requires that physical and dental examinations be provided by the school’s doctor or dentist or by the student’s family physician. These examinations can be provided by the School District, but parents usually choose to have these examinations done by their personal physician. Pennsylvania School Law requires that each child entering grades K, 6, and 11 have a physical exam and each child entering grades K, 3, and 7 have a dental exam. A Scoliosis screening is required in grades 6 and 7. The Medical/Dental forms for a private physical and/or dental exam are located on the Health Services webpage. The District will send the appropriate forms to your home when required. The District encourages parents/guardians to timely obtain the exams and promptly return the applicable forms to the school nurse prior to the start of the following school year.

Other screenings completed by the school nurse during school hours include vision testing, height and weight measurements (which are done yearly), and hearing tests for students in grades K -3, 7 and 11.

Possession/Use of Asthma Inhalers/Epinephrine Auto-Injectors (School Board Policy 210.1)

Students are permitted to possess asthma inhalers and epinephrine auto-injectors and to self-administer the prescribed medication. A student may also be permitted to self-administer insulin under the guidance of a school nurse. Before a student may possess or use an asthma inhaler or epinephrine auto-injector in the school setting or self-administer insulin, the student must submit:

1. A written request from the parent/guardian that the school complies with the order of the licensed physician, certified registered nurse practitioner or physician assistant.
2. A written statement from the parent/guardian acknowledging that the school is not responsible for ensuring the medication is taken and relieving the District and its employees of responsibility for the benefits or consequences of the prescribed medication.
3. A written statement from the licensed physician, certified registered nurse practitioner or physician assistant that states:
 - a. Name of the drug.
 - b. Prescribed dosage.
 - c. Times medication is to be taken.
 - d. Length of time medication is prescribed.
 - e. Diagnosis or reason medication is needed, unless confidential.
 - f. Potential serious reaction or side effects of medication.

- g. Emergency response.
- h. If child is qualified and able to self-administer the medication.

A written request for student use of an asthma inhaler and/or epinephrine auto-injector or to self-administer insulin shall be submitted annually, along with required written statements from the parent/guardian and an updated prescription. Students shall be prohibited from sharing, giving, selling, and using an asthma inhaler or epinephrine auto-injector in any manner other than which it is prescribed during school hours, at any time while on school property, at any school-sponsored activity, and during the time spent traveling to and from school and school-sponsored activities. Violations of this policy shall result in loss of privilege to self-carry the asthma inhaler or epinephrine auto-injector and disciplinary action. Additional guidelines regarding the use of these prescription devices can be found in Policy 210.1, located on the School Board/Policy tab of the District website.

Severe Food Allergies (School Board Policy 209.1)

Parents or guardians who request accommodations for their children(s) who have severe food allergies must provide written documentation to the school nurse on an annual basis from a physician indicating the nature and severity of the food allergy, as well as emergency procedures to be followed in the event of a severe allergenic reaction. The principal will coordinate information on accommodations with the Director of Food Services. Specific guidelines regarding accommodating non-disabling and disabling allergies can be found in Policy 209.1, located at the School Board/Policy tab of the District website. In addition, at the bottom of that policy, additional administrative regulations can be found as attachments that relate to Guidelines for Severe Food Allergies (209.1 AR-1), Emergency Care Plan form for Students with Food Allergies (209.1 AR-2) and Health History for School Nurse (209.1 AR-3).

Wellness of Students (School Board Policy 246)

Peters Township School District recognizes that student wellness and proper nutrition are related to student physical well-being, growth, development, and readiness to learn. The District is committed to providing an environment that promotes student wellness, proper nutrition education, and regular physical activity as part of the learning experience. Food items sold during the school day, whether through Food Service or fundraising efforts, must meet policy wellness guidelines and federal nutrition standards.

Recognizing the importance of keeping our hands clean to help prevent the spread of communicable diseases such as colds, influenza, H1N1 and COVID-19, we remind our students through posters and reminders throughout the school to wash their hands regularly. The District provides touch-less hand sanitizers in key areas to prevent the spread of germs.

Homeless Students (School Board Policy 251)

Who is considered homeless?

Children or youth and their families living in a shelter, transitional housing, motel, vehicle, campgrounds, on the street, or doubled-up with relatives or friends due to a lack of housing are considered to be homeless.

The law indicates that the local education agency shall, according to the child's interest:

- (i) continue the child's education in the school of origin for the duration of homelessness (I) in any case in which a family becomes homeless between academic years or during an academic year; OR
- (ii) for the remainder of the academic year, if the child becomes permanently housed during an academic year: or (II) enroll the child in any public school that non-homeless students who live in the attendance area in which the child is actually living are eligible to attend.

Is there any reason to delay enrolling a homeless child?

NO. The school selected shall enroll the child in school, even if the child lacks records normally required for enrollment, such as previous academic records, proof of residency, or other documentation. The term enroll and enrollment are defined to include attending classes and participating fully in school activities. The enrolling school must immediately contact the last school the child attended to obtain relevant academic and other records.

Immunization records can be transferred over the phone from the school nurse of the sending school to the school nurse of the receiving school.

Where can I go for assistance?

The Education for Children and Youth Experiencing Homelessness Program exist to help homeless children with a wide variety of services. We can assist homeless children during this time of change and stress. If you are homeless with school age children or you are a school, agency or shelter employees, please contact one of the persons listed below.

1. Peters Township School District Homeless Liaison:
Patricia Kelly, Director of Pupil Services (724) 941-6251 x 7271
2. Storm Carara, State Coordinator Education for Children and Youth Experiencing Homelessness Program
Pennsylvania Department of Education
333 Market Street, 5th Floor
Harrisburg, PA 17126-0333
(717) 772-2066

For more information, please visit: [Homeless and Foster Care Assistance](#).

School Counseling Services (School Board Policy 112)

School counselors in partnership with students, parents/guardians, staff, and the community, promote the development of each student's potential. Through a proactive, comprehensive and developmental counseling program, the counselors assist all students in realizing their abilities, needs, interests, and goals as they transition through the educational process to become successful members of society and life-long learners.

Special Education Services (School Board Policy 113)

Through supportive services and individualized education plans, the School District seeks to maximize the educational experience of all students. The District follows all state and federal laws, rules, and regulations in the delivery of its Special Education Services.

In some cases, special education services are provided by agencies other than the School District. These services are contracted on an as-needed basis to address the specific areas of need for individual students. Such services include, but are not limited to: speech and language therapy, hearing support, vision support, occupational and physical therapy.

Special education records are destroyed following the expiration of 6 years after a student attains the age of 21. At that point, all education records pertaining to a student are deemed to be unnecessary for the provision of education services or any other school purpose. If you would like a copy of your child's records, you must request a copy prior to the predetermined date for destruction by contacting the Director of Pupil Services.

For more information regarding Special Education Services, please contact the Director of Pupil Services.

Student Assistance Program (School Board Policy 236)

The Student Assistance Program (SAP) is available to help parents and students access school and community services. A SAP team identifies and assists students who experience barriers to learning. SAP team members are trained to identify problems, determine whether or not the presenting problem lies within the responsibility of the school and to make recommendations to assist the student and the parent. For more information regarding your school's SAP Team, please contact your child's counselor.

SECTION VI: High School Information

The Peters Township High School Student/Parent Handbook is designed to give parents/guardians and students an understanding of the rules and regulations regarding attendance, procedures, and educational matters in our school.

School board policy supersedes any provisions of the handbook, and if there are any conflicts between the procedures listed here and a school board policy, the school board policy most recently adopted will prevail.

This handbook is reviewed at the end of each year to maintain its consistency with policy adoptions. The handbook is not a contract between the school and parents/guardians or students. We reserve the right to change it at any time during the school year. Any changes in policy made during the school year will be communicated to students, parents/guardians, and staff and may also be accessed through the School District website. All current policies are available and searchable by term on the District website under the School Board/Policies tab.

Academics and Counseling Services

Advanced Placement Courses

Students are encouraged to take a rigorous schedule of classes throughout their high school experience. Advanced Placement (AP) courses reflect what is taught in introductory college courses. They represent the most challenging coursework offered and receive additional weight when calculating a student's grade point average (GPA). Students have the opportunity to register for and take an AP exam at the end of each course, measuring their mastery of college-level work. A score of 3 or higher on an AP exam can typically earn a student college credit and/or placement into advanced college courses.

Counselor Appointments

Students are encouraged to schedule meetings with their school counselor during study hall or lunch periods. Parents/guardians wishing to meet with a school counselor should make an appointment via email or phone. Students should not miss a class to meet with a counselor unless there is an urgent situation.

College in High School

Colleges may accept selected courses offered at Peters Township High School toward a college credit. These courses are identified in the Course Description Book as College in High School (CHS) along with the title of the course. **These courses are taken in conjunction with the University of Pittsburgh and Carlow University.**

College Admissions Exams – PSAT, SAT and ACT

College Admission Exams are an important part of the college application process. Resources available to students and parents to aid in the decision-making process of which tests to take include Naviance Student for potential college option preferences; the College Board website at <http://www.collegeboard.org>; the ACT website at <https://www.act.org>; and the PTHS counseling office and website. Notices regarding testing dates are available on the Morning Announcements, the school counseling website, and postings in and around the counseling office. Students have the option to test at their own school or at another local high school depending on the dates offered by the College Board and ACT. Students are recommended to take the SAT and/or ACT during the spring of their junior year.

Students in grades 9 – 11 will take the PSAT in the fall at no charge to the student:

- Grade 9 students will take the PSAT 8/9
- Grade 10 students will take the PSAT/NMSQT
- Grade 11 students will take the PSAT/NMSQT

The PSAT is a practice SAT that provides both our students and our teachers with important information regarding skill strengths and needs for college readiness. Each student will receive an online score report via their College Board account that will provide extensive information that includes the following:

- Questions/Answer Analysis

- Skill Strengths and Needs Assessment
- SAT Predictor
- Free, personalized SAT practice on Khan Academy®
- Recommended AP courses through AP Potential™ feedback

College Visitations

Students are encouraged to visit colleges during the summer months and on weekends during the school year. College visits that involve absences from school require pre-approval through the completion of an Educational Trip form located on the district website and must be coordinated through a student's school counselor. College representatives also visit the High School to talk to students during the school day. The visitation schedule is posted on Naviance. Interested students are encouraged to sign up for these visits.

Computer Science and Act 86

As required by Act 86 of 2016, students may apply to enroll in and successfully complete approved computer science or information technology courses (see Policy 217 Administrative Regulation (AR) 1 & 2 for details) to satisfy one (1) of the following conditions: One (1) science credit required for graduation or one (1) mathematics credit required for graduation (if a student has exhausted the highest level of the Peters Township mathematics curriculum). Students must apply and be pre-approved prior to completing the computer science or information technology course. The approved courses are AP Computer Science Principles, AP Computer Science A, C Suite, and CHS Cybersecurity.

Counseling Office Organization

Peters Township High School is organized so that students remain with the same counselor for counseling services during their entire high school career.

<u>Students (Organized by Last Name)</u>	<u>School Counselor and Phone Extension</u>	
Students A-C	Ms. Patton	(8907)
Students D-Hh	Mrs. Wolf	(8910)
Students Hi-Mh	Ms. Simmons	(8909)
Students Mi-Se	Mrs. Prinsen	(8908)
Students Sf-Z	Mr. Sudol	(8906)

Course Changes (Add/Drop Period):

During the first five (5) days of the school year, or semester for semester courses, students will be permitted to submit the Schedule Change Application and Add/Drop Checklist form to add and/or drop a course. Requests are considered when space allows, and the course change does not impact other scheduled courses. Only one elective to elective change per semester will be considered. **Students cannot request a specific teacher, choose order of classes, or change a lunch period.** Students are permitted to be scheduled for one yearlong study hall. Students with a lab science may only be scheduled for one additional semester long study hall.

Course Placement/Level Changes: Academic, Honors, and Advanced Placement Courses

Students are recommended for courses based upon established criteria in the previous level course and teacher review of course selections. Before course placement change or withdrawal is considered, the student must demonstrate attempts to improve his/her grade (completing all homework, conferencing with teacher, scheduling/after school tutoring). After the first five (5) days of the school year or semester for semester courses, the student and teacher may conference and begin to complete a form in request of a placement change or withdrawal. If the course placement change is approved, the grade from the previous course will follow them to the newly approved course. Placement and level changes will only be considered if the following has occurred:

- Student meets with teacher.
- Student completes all homework and attempts to improve grade.
- Student gets tutoring (ex: 4 sessions).
- Counselor, teacher, parent and administrator discussion and approval.

- Once a change is approved, the grade earned in the original course will be transferred to the newly enrolled course.

Course Removal/Withdrawal: Withdrawal Passing (WP) or Withdrawal Failing (WF)

Students who are not successful in a course after the first five (5) days of school may request to withdraw from the course. Before a withdrawal will be considered, the student must demonstrate attempts to improve his/her grade (completing all homework, conferencing with teacher, completing tutoring, etc.). Withdrawal will only be considered if the following has occurred:

- Student has met with the teacher.
- Parent has been contacted.
- Student has completed all homework and attempted to improve their grades.
- Student has received tutoring (ex: a minimum of 4 sessions).
- Counselor, teacher and administrator have discussed and approved the withdrawal.

The process begins with a meeting with the student's counselor. Next, the Withdrawal Form must be completed which requires signatures by the parent(s), teacher, and grade-level principal. A panel will review the withdrawal request and supplemental information to reach a decision. If the withdrawal is approved after the first five (5) days of a course, a WP (Withdrawal Passing) or WF (Withdrawal Failing) will be posted on the student's transcript. The WP or WF will be based upon the grade assigned by the teacher on the date of the withdrawal. No credit will be assigned to the student's transcript for a WP. If the student chooses to retake the course the following school year or during summer school, both grades shall be posted on the official transcript. **However, students may not withdraw from a semester course after nine weeks or a year-long course after a semester.**

Course Selection

The course selection process occurs during the second semester. Students are provided access to a Course Description Booklet and a Course Selection Sheet online. Prior to course selection, conversations and online teacher recommendations occur based on current student performance in classes.

End-of-the-year- Final Grade Calculation

At the conclusion of the school year, a student's final grade is determined by using the formula noted in the chart below. **Percentages are not used in the computation of the final grade.** The final grade average is listed on the transcript for full-year courses as a letter grade. If a student receives three F's in a full year class, they automatically fail. If a student receives two F's in a semester class, they automatically fail. Reference the PTHS website: <http://www.ptsd.k12.pa.us/AcademicSupport.aspx>

FYI: How to calculate Final Grades For Transcripts

						How is FV calculated for you if your grades are in on time ↓
Term of course	Qtr 1 weight	Qtr 2 weight	Qtr 3 weight	Qtr 4 weight	Finalex weight	FV in PS (Final Average for transcripts)
Semester 1 S1	2 X letter grade equivalent of the percent	2 X letter grade equivalent of the percent			1 X letter grade equivalent of the percent	$\frac{[(2 \times Q1) + (2 \times Q2) + FX]}{5}$ divide by 5 =FV printed as a letter grade
Year	2 X letter grade equivalent of the percent	2 X letter grade equivalent of the percent	2 X letter grade equivalent of the percent	2 X letter grade equivalent of the percent	1 X letter grade equivalent of the percent	$\frac{[(2 \times Q1) + (2 \times Q2) + (2 \times Q3) + (2 \times Q4) + FX]}{9}$ divide by 9 =FV printed as a letter grade
Semester 2 S2			2 X letter grade equivalent of the percent	2 X letter grade equivalent of the percent	1 X letter grade equivalent of the percent	$\frac{[(2 \times Q3) + (2 \times Q4) + FX]}{5}$ divide by 5 =FV printed as a letter grade

A=4, B=3, C=2, D=1 for calculating FV. Appropriate weights are applied to Honors and AP Courses after calculating FV (Final Average.)

Final Examinations/Summative Assessments

The goal of a final exam or summative assessment is to evaluate student learning at the end of a course and to prepare students for the cumulative assessments at the collegiate level. Core classes, including English, Mathematics, Science and Social Studies utilize a cumulative final exam at the end of the school year. Elective courses may utilize a traditional final exam or other form of summative assessment such as a final project or paper.

Final examinations are scheduled at the end of each semester for semester courses and at the end of the school year for yearlong courses. Students are scheduled for no more than two core final exams on the same day. Students who take an Advancement Placement test may not be required to take the final exam in the associated AP course.

Grade Point Average (GPA) (School Board Policy 214)

Students will receive a cumulative unweighted and weighted Grade Point Average (GPA) that will be reflected on student transcripts.

Unweighted GPA is determined by dividing the total quality points by the total eligible credit hours. Grade points are numerical values assigned to grades (A = 4, B = 3, C = 2, D = 1, F = 0).

Weighted GPA is only calculated at the end of each school year when the weighted credit for each eligible course is added. Weighted GPA is calculated using an added value for Advanced Placement (AP) and Honors courses. Grades of D and F in Honors and AP courses will not be given additional weight. The formula for calculating weighted GPA is:

$$\text{Weighted GPA} = \text{unweighted GPA} + \left[\frac{1}{24} (4a + 3b + 2c) + \frac{1}{12} (4A + 3B + 2C) \right] / Y$$

a, b, c = * number of As, Bs, Cs in Honors Courses

A, B, C = * number of As, Bs, Cs in AP Courses

Y = number of years completed at the high school (Y cannot exceed 4).

*Note that a, b, c and A, B, C should equal 0.5 for semester courses and 1.0 for full year courses

Graduation Honors (School Board Policy 214)

Senior grades are projected prior to senior finals in mid-May for the purpose of determining graduation honors. Honors are bestowed as follows:

- Cum Laude: weighted cumulative GPA 4.0 to 4.39
- Magna Cum Laude: weighted cumulative GPA 4.4 to 4.79
- Summa Cum Laude: weighted cumulative GPA 4.8 and higher

*Students graduating with the Summa Cum Laude honor and having a weighted GPA of 5.0 or higher will be further recognized as PT Scholars. At least half of the total credits earned must be from Peters Township High School for a student to qualify as a PT Scholar.

Students must take a minimum of 6.0 credits each year in order to maintain status as a full-time student at Peters Township High School. A student must be a full-time Peters Township High School student to be considered for academic honors during any given year.

Graduation Requirements (School Board Policy 217)

Students must successfully complete all graduation requirements in order to participate in commencement ceremonies. Students should consult the PTSD Policy 217 and the course description book for current graduation requirements. Counselors monitor student progress toward meeting graduation requirements.

Students with disabilities eligible under the IDEA may meet graduation requirements by meeting individualized annual goals in an Individualized Education Program (IEP) as determined by the IEP team.

Students with disabilities who are not yet prepared to accept a diploma have the option of participating in the graduation ceremonies with their chronological peers, at which time they will receive a Certificate of Attendance, provided that they have attended four (4) years of high school. Students may only participate in the graduation ceremonies on one (1) occasion.

The school counselor will certify that every student has fulfilled his or her graduation requirements prior to the start of final examinations. Seniors are required to satisfy all obligations in order to participate in graduation ceremonies.

Honor Roll

Students will be recognized for making honor roll based on their unweighted grade point average as follows:

Highest Honors	4.0
High Honors	3.6 – 3.99
Honors	3.3 – 3.59

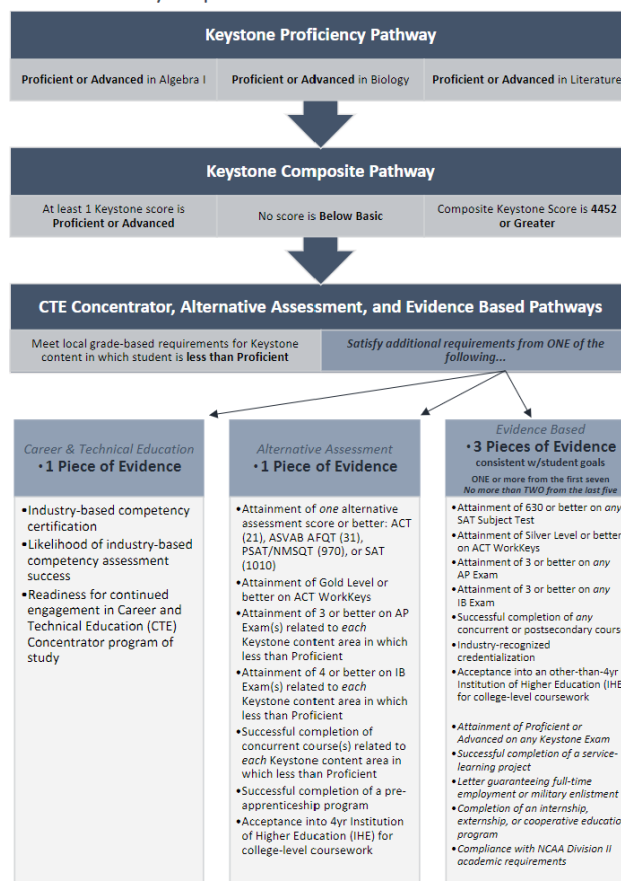

Incomplete grades may disqualify a student from Honor Roll.

Keystone

Proficiency

All students must take the state required Keystone Exams. In order to meet District and State Graduation Requirements, students must gain proficiency on each of the three Keystone Exams: Algebra 1, Biology, and Literature or demonstrate proficiency through one of four other pathways. For additional information, see [Keystone Exam Information \(ptsd.k12.pa.us/graduationrequirements.aspx\)](https://ptsd.k12.pa.us/graduationrequirements.aspx)

Act 158 Pathway Graphic

Middle School Advanced Studies

Students at Peters Township Middle School may be able to enroll in high school courses during the school day. All coursework will count toward graduation credit and their high school GPA in addition to the final grade appearing on the high school transcript. The school counselor at the middle school will coordinate this process. Middle School students who wish to enroll in high school courses are required to meet the following:

- Documented evidence that all prerequisites have been met, and where applicable, all academic screening mechanisms successfully completed prior to scheduling any courses.
- Appropriate level of maturity – determined by the middle school teacher(s) and school counselor.
- Recommendation from the middle school principal or middle school counselor and middle school teacher.
- Parental approval prior to placement.

More information is available in the PTHS Course Description Booklet and the PTMS and PTHS counseling offices and websites

Military Recruitment (School Board Policy 250)

Peters Township High School must disclose to military recruiters, upon request, the names, addresses and telephone numbers of high school students. Parents wishing to exercise their option to not release such information to military recruiters must submit their wishes in writing to the high school main office at the start of each school year. The “Opt Out” Form is available in the Counseling Office and on the Counseling webpage.

Outside Courses Taken for Credit (School Board Policy 124)

With prior written approval from the high school administration, courses may be taken at an area high school, online school, college, or university for credit. However, the district reserves the right to deny these requests should it be for a course that is offered at Peters Township High School or if it does not meet the curricular requirements of the Peters

Township School District. A three or four (3 or 4) credit college course is worth the equivalent of one high school credit. A course taken at an area high school must be taken for a minimum of 120 hours for credit. Courses completed for advancement will receive unweighted elective credit only. *All costs associated with college classes, including but not limited to tuition, transportation, related materials and supplies, are the responsibility of the student and family.*

Pregnant or Married Students (School Board Policy 234)

Students who are married must declare their marital status at the time of marriage or at the time of enrollment in the school and shall not be denied an educational program solely because of marriage, pregnancy, pregnancy-related disabilities, or potential/actual parenthood. Students are encouraged to participate in their regular classes and in extracurricular programs. Each pregnant student must present to the Superintendent or designee a licensed physician's written statement that such activity will not be injurious to her health nor jeopardize her pregnancy.

A pregnant student, whose licensed physician certifies that her mental or physical condition prevents her from attending regular classes, may be assigned an alternative education program, which may include homebound instruction.

Credit Recovery

Students who fail or do not earn credit for a course during the school year will need to repeat that course during the subsequent school year. However, as an alternative to repeating the course, they may choose to enroll in a credit recovery course. Families opting to enroll their student in a credit recovery course must consult with their child's school counselor to determine if it will satisfy the correct curriculum for credit recovery. After approval is given, the student should enroll in the course and submit final grade reports to their school counselor upon completion of the course. Both the grade the student earned during the school year as well as the credit recovery grade will appear on the student's transcript and will be calculated in his/her GPA, however, credit can only be earned once per course. Students may access information concerning course availability and locations for credit recovery in the counseling office.

Western Area Career and Technology Center (WACTC)

Career and technical education counseling is available through any of the school counselors and the career education special events and programs held throughout the school year. Students in grades 10, 11, and 12 may elect a course of study that would include a half-day program at the Western Area Career and Technology Center in Houston. Students choosing this course of study will either attend PTHS in the morning or afternoon. The program at Western Area Career and Technology Center requires faithful attendance. Chronic absenteeism will result in removal from the program.

Students must follow the Peters Township High School Handbook while attending the High School and follow the Western Area Career and Technology Center's rules, guidelines, and procedures while at WACTC. Disciplinary infractions at WACTC will be reported to the appropriate Assistant Principal and will result in school consequences at PTHS and WACTC and may result in removal from WACTC. At any time that the Administration from either school believes the student's best interest would be served by the student returning to the home school, this action will be considered, and a meeting held with the parents/guardians and the Assistant Principal to review the matter.

See the Course Description Booklet for courses offered at WACTC or visit the School District website or the WACTC website: www.wactc.net

On days that WACTC is in session and PTHS is not, School District buses pick students up at designated stops and transport them to WACTC. At the end of the day, they are transported from WACTC to their designated stops. Likewise, when PTHS is in session and WACTC is not in session, a bus will take students home at the time they typically are transported to WACTC. A transportation letter is mailed home including bus pick-up time and stop.

CCBC High School Academies

Students in grades 11 and 12 have the opportunity to enroll in CCBC High School Academies. CCBC's High School Academies will provide students with high-impact educational experiences to prepare them for careers that address the priority workforce needs of the region. Students can earn up to 28 college credits. All costs associated with college classes or online courses including but not limited to tuition, transportation, related materials and supplies are the

responsibility of the student and family. Contact the counseling office for more information. or visit the CCBC High School Academy website: <https://www.ccbc.edu/high-school-academies>

Aviation Academy

Health Academy

STEM Academy

Criminal Justice Academy

Mascaro Construction Academy

Education Academy

Pre-Apprenticeship Program

In partnership with the Pittsburgh Chapter of the German American Chamber of Commerce, students in grades 11 and 12 have the opportunity to explore a Sales Engineer, Polymer Process Technician, Mechatronics Technician, or CAD/CAM Technical Designer through online course work and paid on the job training. Participating students complete online course work in preparation for the Manufacturing Technician 1 (MT1) certification exam. Students earn 6.0 college credits from CCAC upon successful completion of the exam. Contact the counseling office for more information.

Work Release

Seniors who are in good academic standing may be permitted to participate in a non-credit work release program. The student must submit to his/her counselor verification that s/he has:

1. A job at the time of application.
2. A letter from the employer on company letterhead stating that the student will begin work at the agreed upon time during the school day.
3. A completed application signed by the parents/guardians stating that they take responsibility for the student once the student has left the high school during the school day.
4. Enough credits to permit graduation with his/her class.

Note: Students must maintain a minimum of 6.0 credits to qualify for graduation honors.

Students applying for work release receive approval from an administrator.

Transportation to the employment location is the responsibility of the student. A student's work release may be revoked for attendance, behavior, or academic issues. Students are required to notify their school counselor of any changes in employment. Monthly verification of employment is required through employer contact, submission of a monthly time sheet, or a copy of a pay stub.

Athletics and Activities

Sports and clubs are a major part of the high school program. Numerous teams, clubs and organizations exist to satisfy student interests. Students are encouraged to join one or more of these offerings as a means of enhancing their high school education and developing lifelong skills. Academic extracurricular activities are opportunities for students to

expand their learning experiences beyond regular classroom instruction. We encourage students to get involved at this level so that as they progress through their school years, they will gain lifelong learning experiences and knowledge, and improve decision-making skills. Home-schooled students are permitted to participate in extra-curricular activities. Students may obtain more information on each activity by contacting the sponsor of that activity.

Regarding student behavior, the policies and consequences of our District apply to students participating in extracurricular activities on campus and at off-campus locations.

Athletic/Activity Fee Program

The following fee structure has been approved by the Peters Township School Board to offset the cost of transportation, equipment, supplies and other expenses associated with student athletics and activities.

Group	Definition	Associated Fee	Submitting Fees
High School Activities (grades 9-12)	Any extracurricular activity or co-curricular activity or club	\$10 per student, per activity/club*	Submit check or money order ** to the sponsor at the High School prior to the second meeting of the activity/club. *Per student maximum only applies to athletic fees, activity fees are not included in the total. There is no maximum for activity fees per student.

**Only checks or money orders will be accepted.

SHARP: Student Help and Remediation Program

The Student Help and Remediation Program (SHARP) is designed to monitor the academic progress of students who participate in athletics and activities and to determine their eligibility to participate. SHARP identifies students who are experiencing academic difficulties and provides a program of support.

Sharp Procedures:

- Only grades in core classes' (math, English, science, and social studies) are considered unless an athlete does not have a full course load. In those situations, an athlete must be passing at least four (4) courses to remain eligible to participate.
- SHARP is only available to remediate for eligibility for athletes.
- Grades are pulled every Thursday at the end of the day by the SHARP Coordinator beginning after the first fifteen (15) days of each quarter.
- Athletes are notified on Friday or Monday if they are on SHARP.
- Coaches are notified on Thursday or Friday if their athletes are on SHARP.
- Parents are mailed home a letter on Friday or Monday if their son/daughter is on SHARP.
- Once on the list, athletes will not be removed until the following Thursday unless a teacher error occurred.

If an athlete is failing one subject:

The student is still eligible to participate as long as the failing grade does not extend beyond four straight weeks. The student is required to attend one of the two study sessions offered from 2:30-3:00 P.M. in room 336 on Tuesdays and Thursdays. If the student does not attend either session, then the student becomes immediately ineligible until all

sessions are made up. In addition, if this failing grade persists for four straight weeks or is a final quarter grade, the student becomes ineligible. An athlete must still attend the study session even if the grade becomes passing during the week.

If an athlete is failing two subjects:

This student is ineligible to practice or play effective Monday through Sunday. The student is required to attend two study sessions offered from 2:30-3:00 P.M. in room 336 on Tuesday and Thursday. If the student does not attend either session, then the student remains ineligible until all sessions are made up. In addition, the student will not become eligible until the course grades are a “D” or higher in at least one of the two subjects. An athlete must still attend the study sessions even if the grade(s) becomes passing during the week.

End of Quarter Procedures:

If an athlete is failing a core course at the end of a quarter, the athlete becomes ineligible effective Monday through Sunday. This is true even if the student was not failing the course at any point during the quarter.

National Collegiate Athletic Association (NCAA)

The National Collegiate Athletic Association (NCAA) reviews core courses for all high schools through the NCAA Clearinghouse for athletes wishing to participate in Division I or Division II collegiate athletic programs. It is the student athletes and parent’s/guardian’s responsibility to inquire and be familiar with course requirements associated with NCAA eligibility.. Students should see their school counselor or the Athletic Director for more information as students will need to register through the NCAA Eligibility Center.

Sportsmanship Expectations

With pre-approval from administration, coaches/sponsors have the right to create rules, guidelines, procedures and consequences related to dress, appearance, behavior, academics, and attendance that are more stringent than those found in this handbook. Behavior standards for students participating in events, sports, and activities are higher than those for the general student population. Students participating may be removed from the activity or leadership position if deemed necessary by the coach/sponsor, Athletic Director, Assistant Athletic Director or the High School Administration.

At the completion of an event, sport, or activity, students are responsible for returning school equipment when required by school officials. If the equipment is lost or damaged, reimbursement must be made to the District for the value of the equipment as determined by the Athletic Office or High School Administration.

Students who are suspended or removed from a team or activity for disciplinary reasons and wishes to appeal may use the following procedure:

1. If resolution cannot be reached, the student and parent may appeal to the head coach/head sponsor.

2. If resolution cannot be reached, the student and parent/guardian may appeal to the Athletic Director or the Assistant Principal (non-athletic).
3. If resolution still cannot be reached a further appeal to the High School Principal may be made.

Coaches/sponsors are authorized to take immediate disciplinary action while on an away trip or in the absence of the Athletic Director, Assistant Athletic Director or a high school administrator if there is a risk to the health, safety, or welfare of self or others.

Participation in extracurricular activities is a privilege and not a right. Participation shall be contingent upon compliance with all District policies relating to attendance, citizenship, behavior standards, and Code of Conduct. Violations of these District policies or standards, including violations that may occur in a non-school related context, could result in students' exclusion from extracurricular activities, even in cases where school discipline is not warranted or in addition to school discipline that may be imposed.

Attendance

For District attendance policies, please see the Attendance section in the earlier pages of this handbook. Below are attendance procedures specific to the high school.

Submitting an Excuse for Absence:

1. **Written excuses:** It is the responsibility of the student to deliver an excuse to the attendance office within the three (3) school days that follow the absence. This excuse must include student's first and last name, date(s) of absence, reason for absence, and signature of parent/guardian.
2. **Emailed excuses:** Excuses must have a parent signature. A pdf file of a signed excuse may be emailed to Mrs. Millington at millingtontara@pt-sd.org
3. **Attendance Record:** Allow 24 hours for PowerSchool to reflect excuses.

Arrival Procedures

Students must arrive to school by 7:25AM. Students are permitted in the building at 7:00 A.M. A student will be marked late if not in first period when the tardy bell rings at 7:35 A.M. Students driving to school or getting dropped off should allow enough time to get to their first period class before 7:35 A.M. Students entering the building after 7:35 A.M. will be marked tardy to school.

Early Dismissals

Requests for an early dismissal must be submitted to the attendance office in the morning. A note should include the student's name, date, reason for early dismissal, and parent signature. Students will check out for their dismissal at the attendance office before leaving. A doctor's medical excuse should be handed in upon returning to school for medical visits. Students returning to school from an appointment or who arrive at school after a morning appointment must check in with the attendance secretary and get a pass before going to class. ***Students are not permitted to leave the school without permission for an early dismissal.*** Students who are 18 years of age are NOT permitted to sign themselves out of school.

Tardiness

A student arriving late must report to the attendance office with a note from a parent/guardian indicating the reason for the tardiness. A pass from the attendance office must be obtained before reporting to class. A medical excuse is required for medical appointments and will not be counted toward cumulative tardiness. Coaches are responsible for checking attendance before athletic events. Students who are absent all day or arrive after 11:00 A.M. are not permitted to participate in after-school activities. Students who arrive to school tardy 3 or more times may receive the following consequences:

- After-School Detention
- Loss of parking privileges on campus
- Saturday detention
- Referral to the District Magistrate

Discipline, Consequences, and Student Behavior

It is the responsibility of every student to respect the rights of teachers, other students, administrators, and everyone involved in the operation of the school. Students in violation of the Student Code of Conduct (outlined earlier in this handbook) are subject to the consequence issued at the high school defined below. Please note that certain violations result in pre-determined consequences as outlined previously.

High School Specific Consequences Defined

The list below represents the most common consequences assigned to students who have exhibited inappropriate behavior. This list is not fully comprehensive and represents typically assigned consequences. Administrators reserve

the right to use discretionary decision-making regarding consequences issued in specific situations, as each situation is unique.

1. Verbal Reprimand
When this happens, the teacher or principal addressed the behavior that needs to be corrected directly with the student. This may occur independently or along with other consequences.
2. Conferencing with the Student
The teacher or principal meet with the student to discuss a problem and what can be done to solve it. Teachers and principals act *in loco parentis* and do not need permission from a parent/guardian to speak with a student. This may occur independently or along with other consequences.
3. Contacting the Student's Parents/Guardian
The teacher or administrator contacts the student's parents via phone, email, or letter about a behavior that needs to be corrected. This is typically used in conjunction with other consequences.
4. Conferencing with Parents/Guardians
Sometimes a teacher or the principal will ask the student's parents to come to the school to discuss a matter. This is typically used in conjunction with other consequences.
5. Removal of Privileges
School privileges may be withdrawn from a student for a period of time because of misbehavior. This may include restricting the use of a hall pass or not permitting a student to attend an assembly, special trip, or eat lunch with their peers. It also may involve revocation of a student's parking privileges or removal of a student from extra-curricular activities and/or school events, including but not limited to, dances and picnics.
6. Social Probation
This often occurs with an out of school suspension (OSS). A student on Social Probation will not be permitted on campus or at any school sponsored event during the dates of their suspension. After the dates of suspension, a student on Social Probation will ONLY be permitted on campus or at any school sponsored events during the instructional day. A student on social probation who is currently involved in a school sport will be restricted from participation in all team activities including, but not limited to, practices, events, competitions, etc.
7. Athletic Probation
This often occurs with an out of school suspension (OSS). An athlete in season will not be permitted to attend practices, games, weightlifting, workouts, or any activity associated with their team during the dates they are assigned athletic probation. This is often assigned for ten days or longer once a student returns from a suspension.
8. Teacher Issued Detention (TID)
Teachers may assign a student detention with them after school. This does not require administrative approval. This is typically used for minor disruptive infractions that occur in the classroom.
9. Lunch Detention (LDT)
This consequence is often assigned by cafeteria monitors whenever minor student behaviors in the cafeteria are deemed to be inappropriate. It does not require administrative approval. Multiple days may be assigned at once. Lunch monitors may also assign a seat for a student for a length of time they determine.
10. After-School Detention (ASD)
This consequence is typically assigned by an administrator. At the high school level, it is the responsibility of the students to be present at the detention and to procure transportation home from the detention. Students must be present in the detention for the entirety of the session, or it will not be counted as served.
11. Saturday Detention (2 and 4 hours) (SDT)
This consequence is typically assigned by an administrator. The high school hosts both two- and four-hour Saturday Detentions. Two (2) hour Saturday Detentions are from 8:00 A.M. – 10:00 A.M. Four (4) hour Saturday Detentions are from 8:00 A.M. – 12:00 P.M. Students must be present in the detention for the entirety of the session, or it will not be counted as served.
12. In-School Suspension (ISS)
This consequence must be assigned by an administrator. ISS is issued in circumstances of progressive discipline, failure to serve prior scheduled detentions, or incidents deemed to be of greater severity. When a child is assigned an in-school suspension, the following guidelines are to be followed:

- Students must report to the high school office upon arrival to school on the day(s) of the in-school suspension. They are not permitted to go to their lockers first.
- Students will not be permitted to eat in the cafeteria; they may either bring a lunch or be escorted to the cafeteria where lunch will be purchased at the student's cost.
- Students will be supervised by a teacher and will complete their class work as well as reflection essays in the in-school suspension room.
- Students assigned in-school suspension will be given a chance to respond. Parents will be notified when an in-school suspension has been issued.

13. Out of School Suspension (OSS)

This consequence must be assigned by an administrator. OSS is issued in circumstances of progressive discipline or incidents deemed to be of a greater severity. When a student receives an out-of-school suspension, the following restrictions apply:

- The student is not permitted on Peters Township School District property during the suspension.
- The student is not permitted to attend any School District sponsored events on or off School District property.
- The student is expected to complete all schoolwork provided by teachers during the suspension period.
- Parents/Guardians will be notified of a student's out of school suspension.

General Information

Announcements

Announcements that pertain to the general student population, specific school-related groups or teams, faculty, staff, Peters Township High School activities, information, and events will be considered for the public address morning announcements. All announcements must be emailed to PTHSannouncements@ptsdwebapps.com one day in advance of the date the information is to be announced. Only under the most urgent situations will public address announcements be made the same day.

These public address announcements may be aired during the Homeroom Period. A hard copy of all announcements will be e-mailed to each teacher, displayed in every classroom, and posted by the attendance secretaries outside the attendance office, the website, the main office, and on Power School daily.

Public Address announcements to be aired at the end of the day will be limited to cancellations or emergencies.

Personal Technological Device (PTDs)

Personal technological devices (PTDs) (i.e. cell phones, tablets, smart watches, etc) that have the capability of connecting to the internet, taking photographs, and/or recording audio or video data shall not be used for unauthorized purposes while on District property, on buses or other vehicles provided by the District, or while a student is a participant in any school-sponsored activity. The District shall not be liable for the loss, damage or misuse of any PTDs brought to school, or a school sponsored activity by a student. District computer technicians are not responsible for PTDs not belonging to the District.

Restricted Usage: During class students are not allowed to use PTDs during instructional time, including lectures, discussions, and exams. PTDs must be stored away and kept in silent mode or turned off.

Cheating and Unauthorized Use: Using PTDs for cheating or any unauthorized academic activity is strictly prohibited. Students must adhere to the school's academic integrity policy.

Consequences for PTD Violations:

1. **Warning and Education:** The first offense of this policy may result in a verbal warning and an opportunity for the student to understand the policy better.
2. **Temporary Confiscation:** Repeated or severe violations may lead to temporary confiscation of the PTD, requiring a parent or guardian to retrieve it from the school office.

3. Disciplinary Actions: Persistent violations or serious breaches of the policy may result in further disciplinary actions, as outlined in the school's disciplinary policy.

The High School is not responsible for any information that:

1. May be lost, damaged or unavailable when using District technology resources.
2. Is retrieved via the Internet—appropriate or inappropriate.
3. Results in unauthorized charges or fees from accessing the Internet or other commercial online services.

Parents/guardians are legally and financially responsible for their child's actions.

The High School Administration reserves the right to:

1. Log network and wireless use.
2. Monitor filespace utilization by students.
3. Review and edit any materials on individual user school accounts and workstations where there is reasonable suspicion of abuse.

Only the authorized owner of the account will use network accounts for its authorized purpose. All communications and information accessible via the network will not be assumed to be private property and shall be subject to disclosure. Network users shall respect the privacy of other users on the system. All students are expected to act in a responsible, ethical and legal manner in accordance with District policy. All students are expected to review, understand, and abide by the Acceptable Use of Technology Resources Policy. For specific information on misuse and inappropriate behavior, please refer to the School Board Policy 815 - Acceptable Use of Technology Resources. Access to District technology resources may be restricted or denied along with additional disciplinary consequences for inappropriate use.

Cafeteria and other Lunch Spaces

Lunches are assigned by semester in order to help students accommodate the class schedules. Students' lunch periods may change at the semester change. All students are to report directly to the cafeteria at assigned times without stopping to loiter in the halls.

Students may be seated at their own discretion within their assigned spaces. Inappropriate behavior may result in assigned seating.

Commencement and Senior Activities

Seniors who complete the requirements for graduation have the opportunity to participate in Commencement and Senior Activities. The Commencement ceremony is a formal event to celebrate each graduate. Seniors participating agree to follow all dress, appearance, attendance and procedural rules/guidelines.

Requirements for participation in commencement include, but are not limited to:

1. successfully completing all academic requirements
2. cleaning out one's locker
3. clearing all obligations
4. returning all school-owned materials
5. participating in all commencement practices and senior activities

Dances

The guidelines below have been established to ensure dances are safe, enjoyable, and appropriate for the high school population.

All school rules apply to all dances held on District premises or on approved sites off school property. All dances are open to Peters Township High School students in grades 9 - 12 and their approved guests (at least high school age and no older than 20 years of age) only, unless otherwise advertised.

Students who plan to bring an outside guest to Homecoming or the Prom are required to have the outside guest approved prior to purchasing tickets. Students will only be admitted to any dance during the first 30 minutes. Students who leave any dance prior to the advertised ending time will not be permitted to return.

The sponsor/administrator in charge may inspect personal belongings as students enter the dance and, along with other chaperones, monitor student behavior throughout the evening. Conduct suggesting substance abuse will be referred to the sponsor/administrator in charge. Portable breath tests may be on site and used by administrators. Referral to law enforcement may occur in cases of suspected intoxication or possession of contraband.

Debts Owed by Students to the School

All student debts must be cleared prior to the last day of school. Restrictions on end of the year activities, clubs, etc. may be imposed for those students who have outstanding debts. Debts will continue on a student's account from year to year until paid.

Dress Code

School Board Policy 221: Dress and Grooming recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The policy further supports promoting positive attitudes towards neatness, cleanliness, propriety, modesty, and good sense in attire and appearance. Peters Township High School has established guidelines concerning the dress of students at school. Students who are not dressed properly will be asked to call their parents to supply appropriate clothing or may be provided appropriate attire. Students are subject to disciplinary action for dress code violations.

1. Students are not permitted to wear clothing that exposes any type of undergarment.
2. Clothing may not be vulgar, obscene, or disturbing.
3. Appropriate footwear is required. (examples: shoes, boots, sneakers, flip-flops)
4. Shirts must have two straps. Tube-tops and strapless shirts are not permitted
5. Students may be instructed to wear hair coverings, aprons, eye protection, smocks, or some other proper apparel in specific classes such as physical education, technology education, or art class for health and safety reasons.
6. When a student is representing the school as a participant in an extracurricular activity such as a sporting event, school contest, or other activity, they will dress according to the guidelines of the teacher, coach, or sponsor in charge. Coaches will be responsible for specifying appropriate uniform dress for home and away athletic events.
7. Clothing and/or accessories may not advertise or promote the use of alcohol, drugs, tobacco products, and/or offensive words or illustrations.
8. Hats of any kind are not permitted to be worn inside of the building. This includes bandanas/scarves/hoods excluding items of verifiable religious importance.

Elections for Class Office

Leaders are held to a higher standard than the general student population. Elections for the following: class officers, student council officers, homecoming candidates, and prom court candidates will be coordinated through the High School Principal's office. For reasons of confidentiality, individuals involved in these elections shall be permitted, upon request, to view only their results.

Other leadership elections or selections can be conducted under the supervision of the director, coach, or sponsor. Directors, coaches, or sponsors will inform students of the leadership criteria and the ideals of Character Counts. Violations will be reported to the High School Administration. It is the responsibility of students to know and understand the Character Counts criteria—respect, responsibility, and honesty--found in the front of this handbook.

Students on restriction or who are suspended from school shall be removed from and may not hold any leadership position for at least one full year. Petitions for reconsideration may be submitted to the High School Principal.

Any student running for class office must meet the standards below:

- No suspensions.
- No proven cases of cheating or plagiarism.
-

Elevator

Use of the elevator is limited to those students who have a doctor's excuse and a note from the school nurse. **Field Trips**

Educational field trips can enrich and expand the curriculum, strengthen observation skills by immersing students into sensory activities, increase students' knowledge in a particular subject area and expand students' awareness of their own community. As a result, teachers sometimes take advantage of these opportunities by planning meaningful and relevant trip experiences for our students. It is important for both parents/guardians and students to understand that student eligibility for a field trip is not automatic. Students must meet eligibility requirements and follow certain procedures before they will be permitted to participate. In order to be eligible for a field trip, students must complete a field trip form in which the following steps are involved:

1. The student's name, field trip title, and the date and times of the field trip are recorded.
2. The student must acquire permission from his/her parents/guardians to participate with a preliminary signature.
3. The student must acquire permission from each of his/her other subject area teachers in the form of signatures (study halls and lunch are excluded).
4. The form is then checked and approved by the teacher sponsoring the field trip.
5. The finalized form is turned into the sponsoring teacher.
6. Students will not be permitted to participate if the above field trip procedure/form is not completed.

Any of the student's subject area teachers can deny the student permission to attend a field trip if one of the following reasons pertains to the student:

- The student is attaining failing grades in that teacher's class.
- A student has accrued 10 days of absence in that teacher's class (unexcused).

Extenuating circumstances may be reviewed by administration.

Learning Commons

All students at Peters Township High School are welcome and encouraged to use the print and electronic resources available from the High School Library. Our library functions as an integral part of the learning environment, and it is the goal of library staff to provide advanced lessons in research processes and efficient assistance in location of materials both online and in the library.

Checking Out Books:

Students are welcome to check out a total of fifteen (15) books at a time for three (3) weeks. Students can renew the book(s) for another 3 weeks if the book(s) are not needed by another student or class. Books that are being used by a class cannot be checked out. Reference books can be checked out for one night only. Students will be sent late notices for overdue materials and are responsible for replacing material that is lost or damaged. Students will not be permitted to take their final exams and will have their PowerSchool accounts blocked until all library materials are returned.

Locker Use and Decorations

Lockers are assigned to or otherwise made available to students as a convenience for the safe storage of books, clothing, school materials and limited personal property, and to facilitate movement between classes and activities and to and from school. Such lockers are and shall remain the property of the School District, and to the extent students have any expectation of privacy of lockers at all, it is very limited. (Policy 226)

Guidelines and Restrictions:

1. Locker combinations are confidential and may not be shared with other students.
2. Students are responsible for the condition of and content in their assigned locker.
3. No student may place or keep in a locker any substance or object that is prohibited by law, Board policy or school rules, or that constitutes a threat to the health, safety or welfare of the occupants of the school building or the building itself.
4. Students are required to ensure that their lockers do not contain spoiled food items or beverages, or soiled clothing which may attract pests, create odors or cause unhealthy conditions.
5. Tape and other adhesives are prohibited from use both inside and outside of the locker as they leave a residue that damages the paint.
6. Only magnets may be used to hang decorations in and on the locker. Exterior decorations are not permitted by individual students.
7. Clubs and booster groups wishing to hang locker decorations on the exterior must contact the Athletic Office for instructions.
8. Students may use hanging organizers such as fabric pockets or mesh compartments that can be suspended from the top or sides of the locker using hooks and magnetic clips.
9. Reports of damage, graffiti, or malfunctioning should be promptly reported to the main office.

Lost and Found

The Lost and Found is located in the main office. It is recommended that the student's name is placed on important items such as jackets, book bags, etc., so that it may be easily identified. At the end of each school year, items remaining are donated to charity.

Lost or Damaged Books

Teachers must be informed if a book is lost in order to issue another one. The student is responsible for paying for a book if it is damaged or lost. At the end of the school year or when moving from the District, the student must return the books that were assigned to him/her. If a different book is returned instead of the book that was issued, the student will be responsible for paying for a lost book. Participation in any future extracurricular activities may be suspended until all obligations have been met. This can include participation in graduation or senior activities.

Parent/Teacher Conferences

Parents/Guardians have the opportunity to meet individually with teachers in the fall on the designated Peters Township School District Parent/Teacher Conference Day. Information regarding scheduling an appointment with your child's teachers will be sent in advance. Conferences last approximately twenty (20) minutes.

Throughout the school year, both teachers and parents may initiate a conference to discuss a child's progress in school if necessary. A parent wishing to meet with their child's teacher, or a group of teachers should contact the teacher directly or the school counselor.

Parking (School Board Policy 223)

Parking is a privilege afforded to students who apply and meet the eligibility requirements for driving/parking. Parking permits are issued for the school year. Applications are made available through FamilyID or in the Athletic Office for a window of time preceding the school year. The fee is \$100 for a full year parking pass.

Parking passes **may not** be sold and/or transferred to any other student. Any student who violates the Parking Agreement may have their parking privileges revoked.

Temporary Parking Permit:

Temporary parking permits are for juniors and seniors who do not currently hold a parking pass. A doctor's appointment during the school day is considered an acceptable reason for a temporary parking pass. There are no exceptions for freshman and sophomore students; parents/guardians must plan accordingly, especially for medical appointments. An

eligible student seeking a temporary parking permit must apply in the main office and receive permission at least one day prior to the day they will drive to school.

Any students who drive to school without receiving administrative approval will receive a disciplinary consequence and risk their vehicle being towed. Repeated violations may result in permanent revocation of permission to park on campus.

Vehicles illegally parked may be tagged, ticketed, or towed at the owner's expense.

Driving/parking on the high school campus will be at the student's own risk. The Peters Township School District accepts no responsibility for loss, damage, or theft involving student vehicles driven/parked on school property. Moreover, students who choose to park off the high school campus assume an even greater risk and liability, which will not be assumed by the Peters Township School District.

The parking permit must be attached to the rear-view mirror on the student's vehicle and clearly visible when it is parked in the school parking lot. Driving/parking permits may not be transferred to another student's vehicle. Only drivers listed on the approved application may drive/park the vehicle on school property. Violations of any of these rules may result in loss of parking/driving privileges.

Reckless driving, speeding, discourteous behavior, unauthorized driving of vehicles off campus during the school day, or horseplay involving student vehicles will not be tolerated. Drivers are responsible for the behavior of the passengers in their vehicle. Any of the above behavior will result in the revoking of the driving/parking privilege and other disciplinary action for anyone in the vehicle.

The High School Administration may revoke driving/parking privileges as a disciplinary consequence for repeated tardiness to school and other non-driving offenses.

PTSA

PTSA/Parent/Teacher/Student Association is a valuable organization that brings parents and teachers together to benefit the students. In addition to monthly business meetings, each PTSA sponsors educational and recreational activities that support the schools. Parents benefit from being informed of school events and issues with informative monthly meetings including special reports from principals, counselors and teachers. Students are able to develop leadership skills, have a voice in school issues, and serve the high school community by using their talents in writing, design, organization and communication. Membership information may be obtained by contacting the high school PTSA officers.

Releasing a Student from School Sponsored Activities

Students at a school-sponsored activity, either as a participant or as a rider on a school sponsored fan bus, shall be released to adult family members only. An adult family member must be age 18 or older and present identification. A note from the parent/guardian must be presented to the person in charge of the activity. This note should indicate the identity of the person picking up the student and phone number where the parent/guardian can be reached to confirm the dismissal and release of the student.

Selling Items

Students are not permitted to sell personal/private items during school hours or at school-sponsored functions.

Student Deliveries

As a security measure, students are not permitted to receive any outside deliveries to the school (Doordash, UberEats, etc). Any unauthorized deliveries will be turned away at the door. The District **is not** responsible for any costs associated with deliveries. If a parent is bringing an item to school for their child, they will be directed to place it on the "Drop-off" table. This table is directly inside the front doors. The school is not responsible for items left on the "Drop-off" table. Please be sure to notify your child that you have left something for them.

Study Halls

The purpose of study hall is to allow the students time for homework, studying, tutoring, group projects, enrichment activities, make-up work, independent reading, and other activities that are approved by teachers and the administration. Students should bring items to work on quietly. Study halls operate under these rules:

1. The student must have something to do, even if it is simply reading for pleasure.
2. Passes may be granted to the Learning Commons following library procedures. Please see the librarian.
3. Study halls **are to remain quiet and orderly.**
4. Students are not permitted to leave study hall without permission and a signed pass. All students must report to the receiving teacher at the beginning of class before the bell rings.

Wall Postings

Official student organizations may submit materials for approval and to be posted on common bulletin boards and designated surfaces by main office staff. Student Groups are not permitted to hang their own wall postings. All materials and wall postings must filter through the school's main office.

1. All postings must have the name of the official student organization clearly displayed.
2. All posted materials must have a signature of an administrator.
3. Notices or other communications shall be officially dated before posting, and such material will be removed after a prescribed reasonable time.

For posting or distribution of non-school materials, see School Board Policy 220.

Work Permits

Work permits are available in the Athletic Office. To obtain a work permit for a student, the applicant must be at least 14 years of age, produce a birth certificate, baptismal certificate, or passport to the Athletic Office. A student may apply for a work permit without having employment or promise of employment.

An application will be completed by the office and the applicant's parent will need to sign the application. (Application can be taken home by the student for parent signature.) Student must bring the application back to the Athletic Office and will be issued a work permit. Work permits may only be issued directly to the applicant.
