

#### **New Student Registration Health Packet**

#### Dear Parent:

The following documents are required to register your child in Peters Township:

A completed current immunization report (which may be obtained from your physician).

Please note that proposed Pennsylvania regulations state that all children are required to be fully immunized to attend school.

- Students missing the next or final dose of a vaccine have five school days to obtain the next or final dose in the series before being excluded from school.
- A student needing more than one dose of a multiple-dose vaccine series may attend school provisionally upon submission of a medical certificate outlining the dates of additional vaccinations. Students will be excluded from school if vaccinations are not submitted according to the timelines.
- A completed copy of the Health History Form (form provided).

In addition, the documents outlined below must be dated no earlier than July 1, 2023 according to Pennsylvania School Code:

- A completed physical examination form (form provided, must be completed by your physician).
- A completed dental examination form (form provided, must be completed by your dentist).
- If your child's most recent dental and/or physical exam was prior to the date above, but you are
  not able to complete the exam(s) prior to registration, please submit the forms as soon as they
  are available to your school nurse.

These completed documents may be scanned and uploaded through the online registration portal. Hard copies will also be accepted. Please contact the school health office with any additional questions you may have. Thank you.

Michele Luppe, Bower Hill Nurse, 724-941-6251 ext. 2403

Amy Caputo, Pleasant Valley and McMurray Nurse, 724-941-6251 ext. 1404 (PV)/3006 (MCM)

Crystal Stiegel, Peters Township Middle School Nurse, 724-941-6251 ext. 4255

Gail Kowalczyk, Peters Township High School Nurse, 724-941-6251 ext. 8010

H511.336 (Rev. 9/2012) Page 1 of 4: STUDENT HISTORY

#### Bureau of Community Health Systems Division of School Health

22 Had a broken or fractured bone, stress fracture, or dislocated joint?

24. Had an injury that required a brace, cast, crutches, or orthotics?

25. Needed an x-ray, MRI, CT scan, injection, or physical therapy
