

## The search is on for a future Reflections theme!

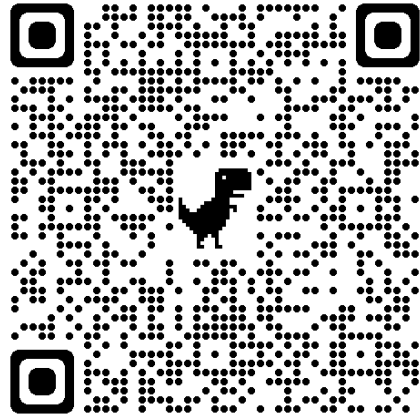

Help us pick a future theme idea that will spark fun and creativity for a future Reflections program year! The student who submits the winning entry will receive a \$100 prize from National PTA. The Pennsylvania Arts In Education Committee will select up to 5 submissions to advance to the National PTA for consideration.

The National PTA's Reflections program promotes students' creativity and love for the arts. More than 300,000 students participate in Reflections each year.

Past themes and duplicate submissions are not considered, as we're looking for the most original theme ideas. A list of all past Reflections themes is included on the entry form. Students can submit multiple entries but each theme must be listed on a separate form.

The theme search contest resets each year at 11:59 pm on Nov 1.
