Dear Parents/Guardians:

The end of the 2021-2022 school year is quickly approaching, and this letter provides valuable information regarding our end of the year schedule.

May testing has begun with our Advancement Placement exams which will run through May 13, 2022. Keystone exams for students enrolled in English 10, Biology, or Algebra I will be administered on the following dates:

- Literature May 16 & 17, 2022
- Algebra May 18 & 19, 2022
- Biology May 23 & 24, 2022

Keystone tests are an important graduation requirement in the state of Pennsylvania. Please help your child get plenty of rest, have a healthy breakfast, and be prepared for each day of testing.

No testing will occur on May 20, the date of the **Junior/Senior Prom**. The Prom will take place at Heinz Field from 7:00 to 10:00 p.m. Any student attending PTHS Prom must be in school until 11:20 a.m. All students must use the Early Release Prom Form that was included in the prom packet if they are requesting an early dismissal on May 20.

Final examinations will occur during regular class time for students in grades 9 – 11 on the dates indicated below. Please note that many elective courses utilize a project-based assessment in lieu of a final exam. Teachers will provide specific details regarding end of year final assessments, and they will adjust for students who are Keystone testing.

Lastly, thank you for your continued support. Our partnership with parents and the community is something we truly value. It is because of our joint commitment to the success of our students that we were ranked #1 in the Pittsburgh Metro Area by U.S. News & World Report in April 2022. We are pleased with this accomplishment, but even more proud of the continued resilience of our students. We look forward to a wonderful end to the school year and a relaxing summer.

Best regards,

Dr. Lori A. Pavlik, Principal
