## COURSE SYLLABUS: FRENCH II

---

### Course Overview and Essential Skills

The level II course is a full-year course, which continues the study of World Languages –Specifically French language and culture. The basic skills of listening, speaking, reading, and writing will be taught and practiced with the emphasis on student performance in both grammar and vocabulary. More reading and writing is included than in level I and the course will move at a faster pace than the previous year. Various aspects of the culture of French-speaking people will be introduced and discussed. This will also include some components of geography and history of various francophone countries.
