**Cool 2 Be
Clean
(c2bc)**

What is c2bc?

C2bc is a student focused, positive decision making program that embraces the values and mission of the DARE Program. Students are encouraged to lead safe and healthy lives while encouraging their peers to do the same, both at school and in the community.

The goal of c2bc is to reach out to all social groups within PTMS by having peers nominate peers they see making good choices.

Once inducted, c2bc members receive a wristband to signify their pledge to the program and can then begin nominating peers and participating in the Rewards Program.

c2bc NOMINATION PROCESS

Student is nominated by current c2bc member

Nominated student completes nomination form and gets staff member's signature

Completed form is turned into c2bc box in the main office

All completed forms are reviewed

Nominated students are inducted during bi-weekly ceremonies, and receive c2bc wristband

Newly inducted members can begin nominating peers. Nomination forms are available in the main office

c2bc REWARDS PROGRAM

C2bc would like to recognize members and continue to encourage positive choices by offering the following:

-Job shadowing experiences

-School-wide awareness programs and assemblies

-Incentives for students with a c2bc wristband at several local businesses

For more information, contact the middle school counseling department.
