

Dear Bower Hill Parents,

On Monday, October 31st, your child's class will be having a Halloween party and school neighborhood parade (students only). **The students should bring their Halloween costumes to school in a bag on Monday morning.** They will have time to change into their costumes beginning at 1:45 before the 2:00 parade begins. Students should refrain from wearing face make-up to school as this is distracting during the day. **NO weapons are permitted as part of a costume.** Your child should be able to put on their own costume for the most part by themselves.

In addition, you may send an individually wrapped treat to school for the students. Treats may come in any day starting Wednesday the 26th. **Please note that sending treats to school is optional.**

Happy Halloween!

Bower Hill

1st, 2nd and 3rd Grade Teachers
