

Dear Parents,

On Monday, October 31, 2016 we will be celebrating Halloween at school. Due to safety reasons concerning the bus we are asking you to do the following with your child:

1. A.M. students are to bring their costumes to school in a bag and one of the adults will assist them in dressing. They will wear their costumes when they are dismissed to go home.

2. P.M. students are to wear their costumes to school. Please send a bag to put the costume in, and clothes to wear home. One of the adults will assist the children in removing their costumes.

Thank you for your help and cooperation.

**Sincerely,
The Kindergarten Teachers**
